5	I think the over arching Weddington "ANTI" business perspective is bad, PROVIDED it is done architectually and strategically properly. The 2 story plantation style office buidling across from Harris Teeter is a very odd "vision" and doesn't fit sitting there by itself, sitting WAY BACK. Poorly done.	5/17/2018 12:56 PM

55	I did not select this and here's why. This area does not need another Subway, drycleaner, haircutter, UPS store or gas station. Building another development like this ruins the "rural feel" that Weddington was once known to have. There are plenty of these types of businesses right around the corner from us already or within a short 5-10 minute drive. And if you feel like you have to build these type of developments, then why not require the developers to build in a style that fits Weddington's standards. When you go to Hilton Head or some communities in the Chapel Hill/Carrboro area, the build/look/feel of these developments are different, using different colors, the use of trees, to hide these developments back off the road. Everyone knows that they are there but they do not stick out like a sore thumb. Look at what Wesley Chapel & Indian Trail have done, the same as any other city in America. All of these developments look like they belong on Independence Blvd, not in a "rural feel", family oriented, bedroom community. Is this what you want to achieve in Weddington?	5/12/2018 9:59 AM

64	Restaurants, Ice Cream shop, etc. Services - barber, salon. Simple small town businesses. Learn from Waxhaw downtown area. But -- do not try to micro-manage type -- free enterprise will take care of that -- no central planning in Moscow needed. Work to become a town vs a residential district.	5/10/2018 11:18 AM

Q5 Conservation residential districts have a standard minimum lot size of 40,000 square feet (roughly one acre), unless they conserve 50% of property space, dropping the minimum lot size to 12,000 square foot (roughly 1/3 acre) - please see the above image. Do you support the use of conservation residential districts?

#	IF NO, WHAT DO YOU NOT LIKE ABOUT THIS OPTION?	DATE
1	I prefer larger lots	5/21/2018 8:35 AM
2	Stop all expansion and construction.	5/20/2018 10:13 PM
3	overall lots too small and more houses per district which overwhelms schools	5/20/2018 10:12 PM
4	It does not promote the quality of life of the larger lot subdivision	5/20/2018 1:01 PM
5	You allow the actual housing lots to be too small.	5/20/2018 12:33 PM
6	Misleading question. Should be do you support a strict definition of a Conservation Subdivision which mandates a lot size of 40000 sqft. The "unless" is a loophole to deviate from the definition and misleads the intent of the question.	5/20/2018 9:04 AM
7	I support planned mixe usage, but I like some conservation use.	5/20/2018 8:33 AM
8	Smaller lot size. Prefer min of 1 acre	5/20/2018 7:15 AM
9	Want Weddington to stay as a large lot Suburb. Set apart from so maby other towns	5/18/2018 11:32 PM
10	Lots need to be at least one acre or larger for each home.	5/18/2018 9:44 PM
11	It's brings in the same amount of people.	5/18/2018 4:15 PM
12	Less curb appeal	5/18/2018 2:16 PM
13	At a future date, they might try to add more homes.	5/18/2018 2:11 PM
14	For the geographic footprint of the town, 1) the infrastructure for utilities, roads, and schools et al are not equipped to handle the additional population influx; 2) the small real property lot sizes lowers the overall land values for residential property owners.	5/18/2018 2:01 PM

15	i like the look of acre lots for residential, plus the 50% conserved you don't know what this land will look like	5/18/2018 12:43 PM
16	makes building cheaper and more likely to put in cheaper homes	5/18/2018 11:22 AM
17	there shouldn't be a 1/3 acre option	5/18/2018 9:42 AM
18	Property values would not keep up with the conventional values	5/18/2018 9:25 AM
19	It looks stupid	5/18/2018 5:45 AM
20	Houses too close	5/18/2018 12:18 AM
21	Back to way we had it AT least 1 acre or more per house.	5/17/2018 10:17 PM
22	I want to have a least one acre of land which puts more space between my home and my neighbor's home. I would not want to go out into some community common ground area to realize lawn space and shared lawn space at that. No Thanks.	5/17/2018 9:24 PM
23	Changes character and appearance of neighborhoods	5/17/2018 9:09 PM
24	Larger lots fit the mold of the weddington community	5/17/2018 9:05 PM
25	In theory in means lovely green space, in practice in could mean unmaintained "natural" space that isn't able to be utilized by residents. I also suspect that those homes sell at a lower point of entry, and while I have no issue with lower cost housing, I do have issue with more children in our schools if the town/city/county isn't going to have a dialogue with the boe about how to handle this growth. My thought is that higher priced housing is less likely to be "family" housing and therefor will have less population impact on our schools. I'm tired of redistricting anxiety every four years.	5/17/2018 8:40 PM
26	All lot sizes should be 40,000 sq ft. Min.	5/17/2018 8:37 PM
27	Only 1/3 acre	5/17/2018 8:26 PM
28	All growth should be stopped until proper transportation corridors are put in place.	5/17/2018 8:15 PM
29	It will destroy the value and character of the town long term - we will just start looking like another overbuilt Charlotte neighbor- I lived in Matthews for 14 years I watched the builders game this type of zoning time and again in mecklenburg county to their financial benefit and the detriment of the areas character.	5/17/2018 8:06 PM
30	All lots need to be an acre for builders and individuals	5/17/2018 7:44 PM
31	no guarantee that it would remain that way, plus houses would be smaller which drives down prices	5/17/2018 6:12 PM
32	I don't like condensed housing. The charm of Weddington are the horse farms and open spaces. I don't want to live in Mecklenburg Co. THe only way I would agree to a conservation residential district would be for a 55+ community.	5/17/2018 6:10 PM
33	Neighbors jammed tightly. No control on use of conserved land.	5/17/2018 5:14 PM
34	I like for residences to have more space between them	5/17/2018 5:09 PM
35	Houses are too close to each other	5/17/2018 4:48 PM
36	I think the large lot size appears cleaner	5/17/2018 4:37 PM
37	Density I prefer 1acre lots	5/17/2018 2:45 PM
38	Hoas have too much control over the "open space" created of property is owned it can be used more effectively.	5/17/2018 2:15 PM
39	We don't need to be packed like sardines!	5/17/2018 1:49 PM
40	What we love about Weddington is that the houses aren't on top of each other. Conservation districts puts the homes too close together. Also, what's to stop future people from developing the conservation land.	5/17/2018 1:22 PM
41	We keep putting too many in.	5/17/2018 1:17 PM
42	Keep as much farm land as possible	5/17/2018 1:04 PM
43	Detracts from present feel of town	5/17/2018 12:49 PM
44	Homes are clustered, less privacy.	5/17/2018 12:12 PM

## Weddington Resident Survey

45	Depends on design	5/17/2018 12:01 PM
46	people do NOT need to be that close to eachother if they want that there is always Charlotte	5/17/2018 10:38 AM
47	Not if it means cramming more houses into a development	5/17/2018 10:11 AM
48	People need a place to develop their own interests. If you want to live in a metropolis then don't move to the country. What will America do when when there are so many houses and businesses there is no place to grow food? Every one of us is succceptible to hardships occassionally and we should reserve the right to grow food for ourselves.	5/17/2018 9:27 AM
49	open land is not kept up if you have a house fire several homes will get damaged	5/16/2018 11:34 PM
50	Once the zoning is changed, it is subject to change again given the rate of growth of the region. You need to get w/ the state & DOT & get the roads amended & suitable for growth before you worry about zoning changes,etc...	5/16/2018 9:05 PM
51	Over crowding	5/16/2018 4:17 PM
52	lots no smaller than half acre in conservation districts	5/16/2018 11:48 AM
53	I feel weedinting too built out as it is now	5/16/2018 9:28 AM
54	I've always liked the larger lots per household	5/16/2018 8:24 AM
55	Lack off privacy for home owner. Congestion.	5/16/2018 7:36 AM
56	The homes cost less and the conserved land can be rezoned later to build more homes.	5/15/2018 8:58 PM
57	They group so many of the houses near the road. I wouldn't mind so much if the greenspace was more of a buffer	5/15/2018 4:59 PM
58	Smaller lot equals smaller house.	5/15/2018 3:41 PM
59	this proposal does not produce equal density.	5/15/2018 1:24 PM
60	not sure the open land will be conserved and I like big lots	5/15/2018 12:24 PM
61	Lot sizes too small	5/15/2018 12:03 PM
62	future growth finds a way	5/15/2018 11:35 AM
63	Weddington has allowed development like Harlows Crossing that is poor trend with conserved area to rear and very poor optics from road. Weddington has lost the original vision for what made this area unique.	5/15/2018 9:32 AM
64	Don't like large houses close together	5/14/2018 9:55 PM
65	If lot is close to an acre	5/14/2018 8:33 PM
66	No preference, there is too much development in general.	5/14/2018 7:52 PM
67	Gives people privacy	5/14/2018 7:44 PM
68	Houses too close	5/14/2018 5:03 PM
69	less development	5/14/2018 5:00 PM
70	Only support if it is a 12000sf lot and there is 50% reserved in parkland and green space	5/14/2018 4:32 PM
71	It appears more houses can be built in a Conservation Residential sistrict, therefore adding mor traffic	5/14/2018 4:18 PM
72	Lots too small - homes smaller and lower value	5/14/2018 3:48 PM
73	Too many people and the roads can not handle the amount of people and traffic. It is a total mess at all hours through the day and evening	5/14/2018 3:45 PM
74	I like this but it drives up the value of the home and makes 55+ communities almost impossible	5/14/2018 3:41 PM
75	I prefer only big lots - over 1 acre with only 1 house	5/14/2018 3:09 PM
76	Small lots	5/14/2018 2:03 PM
77	Although is a good idea on the surface, should the conservation area be allowed other uses in the future it defeats the purpose.	5/14/2018 12:24 PM
78	I prefer larger lot sizes. Larger than 1 acre is preferable.	5/14/2018 12:01 PM

## Weddington Resident Survey

79	The large lots in Weddington differentiates it from most other areas in the Charlotte area.	5/14/2018 11:02 AM
80	Restricts the ability to build reasonably priced homes. Not talking about starter homes or cookie cutter production. Again, very strong need for our seniors to downsize to an affordable (\$300k+) home in the area they currently live. I'm one of those people.	5/14/2018 7:31 AM
81	They only save the junk land which would not be used anyway	5/14/2018 7:04 AM
82	Still have concerns about potential impact for home sales comps	5/14/2018 6:32 AM
83	only residents can use the greenspace.	5/13/2018 9:40 PM
84	I prefer larger space between myself and my neighbor	5/13/2018 9:18 PM
85	Too many homes close together	5/13/2018 8:25 PM
86	only one acre lots or larger	5/13/2018 8:16 PM
87	Lot size is too small	5/13/2018 7:36 PM
88	Houses are too close together	5/13/2018 5:57 PM
89	Leaves the "conserved" space available for future town governments / developers to change the rules and build more houses in what was once open space.	5/13/2018 2:47 PM
90	Houses are crowded	5/12/2018 5:20 PM
91	I left charlotte to get away from this (dense homes)	5/12/2018 4:07 PM
92	It looks like lower value proprties	5/12/2018 12:25 PM
93	The space being conservrd would not be able to be built on anyway. Flood plane, utlitiy easments	5/12/2018 11:30 AM
94	leaves a loop hole for the one acre and allows development on land that may not have been able to be developed because of drainage by using the open land as excuse to build more homes	5/12/2018 10:32 AM
95	Make the land available for people of all incomes.	5/12/2018 10:25 AM
96	This is a way for the developer/builder to save money and yes, it conserves "green space" but it is not the same as building a conventional subdivision. The homes is this style development are packed onto one another with much less privacy and space for the family. Myself and many of my friends that live in Weddington view this as a way to "circumvent" the conventional building method/code that Weddington was once known for and the reason why many of us moved here years ago.	5/12/2018 9:59 AM
97	Plow everything under	5/11/2018 6:32 PM
98	Not without additional set backs versus existing neighborhoods on back and sides. Shoud be minimum 100 feet of no disturbing it	5/11/2018 3:59 PM
99	Drives up the cost of housing	5/11/2018 1:19 PM
100	We need to keep original R40 restrictions	5/11/2018 10:34 AM
101	family privacy and limits outdoor activity on home property	5/11/2018 10:29 AM
102	House congestion	5/10/2018 10:12 PM
103	the provision to drop the lot size below 1 acre	5/10/2018 9:49 PM
104	Homes to close	5/10/2018 8:34 PM
105	Homes are literally on top of one another - tend to favor lower price homes while larger lots tend to favor higher price homes	5/10/2018 8:07 PM
106	As a homeowner i'd prefer to have the extra land on my property as opposed to around me. If the land can not be used it is wasteful.	5/10/2018 5:56 PM
107	Stop developing	5/10/2018 4:06 PM
108	need 40,000 sq. ft. Keep area nice!!!	5/10/2018 12:46 PM
109	All the houses are right on top of each other like every other surrounding area	5/10/2018 12:14 PM
110	allow the market place to decide.	5/10/2018 11:18 AM
111	The possibility that in the future the 50% rule might be changed, and they are too close together.	5/10/2018 10:53 AM

## Weddington Resident Survey

112	Do not support smaller lot size	5/9/2018 7:39 PM
113	Feel like builders skirt the true meaning of the neighborhood and bunch larger groups of homes together. Smaller homes are most typical in this neighborhood. Most folks come to welcome to get individual privacy and space, that is one of the wonderful parts of Weddington. If folks want the smaller lots, there are plenty of places around the area where they can get that.	5/9/2018 6:21 PM
114	the reduced lot size; keep it at 1 acre with conservation	5/9/2018 2:45 PM
115	Prefer larger lots	5/9/2018 2:15 PM
116	Traffic congestion and public safety. Ex. Stonegate in Waxhaw: all those properties and only 1 exit. Also, conservation subdivisions have a "congested feel" vs. the more "open feel" of conventional spacing that Weddington is known and valued for.	5/9/2018 11:58 AM
117	There are too many houses, and lot sizes are too small.	5/9/2018 11:06 AM
118	This is not to development that made Weddington a special pace to live. This has the potential to be abused by developers and disadvantage existing home owners	5/9/2018 10:55 AM
119	small lot sizes, clustered buildings	5/9/2018 9:52 AM
120	Option always available to build on conserved space in the future	5/9/2018 8:47 AM
121	allows developers to use land that could never be developed used for green space, thus still getting more homes per acre.	5/9/2018 8:25 AM
122	small houses with little privacy	5/8/2018 9:37 PM
123	Too small	5/8/2018 8:34 PM
124	No privacy for owners of the homes	5/8/2018 7:27 PM
125	Waste of land	5/8/2018 7:27 PM
126	Over crowding schools	5/8/2018 6:59 PM
127	The houses would be too close together. We should stay 1 acre per home or more. It is why we moved out this way and what makes Weddington unique.	5/8/2018 5:13 PM
128	Homes are too close together. Common areas are not being maintained.	5/8/2018 1:46 PM
129	The lot size is too small. While preferable to a traditional subdivision, a larger minimum would be a better solution.	5/8/2018 12:05 PM
130	Lots end up being too small; houses right on top of each other. Looks like Stallings development.	5/8/2018 12:02 PM
131	All homes should have a minimum of one acre, no matter what.	5/8/2018 11:59 AM
132	Having houses too close together is just like every other town. Weddington is known for the larger lots and not having houses on top of each other. Keep it that way	5/8/2018 9:46 AM
133	not enough buffer between houses	5/8/2018 9:41 AM
134	Concerns that they will just develop the open space later anyway.	5/8/2018 8:34 AM
135	Keep lot acreage to 1 acre ... 1/3 too small	5/8/2018 8:24 AM
136	"Conserved" area is not really half of the acreage, and is never just left natural.	5/8/2018 7:17 AM
137	Size of lots are too small, houses bunched up on top of each other.	5/7/2018 11:11 PM
138	no new construction	5/7/2018 7:47 PM
139	Homes are too small and clustered tightly together	5/7/2018 6:50 PM
140	1/3 acre properties do not hold their market value in the longer term as compared to 1 acre properties.	5/7/2018 5:58 PM
141	dislike lots smaller than 1 acre	5/7/2018 5:36 PM
142	structure size	5/7/2018 5:31 PM
143	It really isn't green space, just what you have been sold by developers.	5/7/2018 5:12 PM
144	Later it will be rezoned for higher density	5/7/2018 4:43 PM
145	Concern the lot size requirement will change and many houses will be squeezed in.	5/7/2018 4:30 PM

## Weddington Resident Survey

146	maintain minimum one acre + lot size	5/7/2018 4:09 PM
147	It changes the rules that were in place when the property was purchased. Why make a change just because a developer can't make as much money as he'd like to?	5/7/2018 4:02 PM
148	Builds too much density against exhisting neighborhoods. See Antioch Woods as example. Back yards of new homes are righth up against the older homes. IF you continue to allow these double the set back requirements	5/7/2018 3:43 PM
149	too many houses, not enough space	5/7/2018 3:35 PM
150	I wish there was a 3rd option. Personally I would rather own the property (min 1 acre). As a current resident (who grew up here) I just don't want to see a field for of houses close together.	5/7/2018 3:18 PM
151	The reasons people originally moved to this area was for having land and not being over populated.	5/7/2018 3:08 PM
152	Skinny long lots right beside one another is not what the town of Weddington is supposed to be	5/7/2018 2:43 PM
153	cramming houses together on smaller lots	5/7/2018 2:09 PM
154	minimum lot size too small	5/7/2018 2:08 PM
155	One acre lots should be mandatory, roads DO NOT support conservation subdivisions	5/7/2018 1:28 PM
156	Houses are too close together, looks low end cheap	5/7/2018 12:59 PM
157	would prefer larger minimum lot size (at least 20,000 sq ft) for any property space conservation plan	5/7/2018 12:52 PM
158	The Conservation districts are not being used	5/7/2018 12:45 PM
159	too much land waste	5/7/2018 11:20 AM
160	1/3 of acre, math doesn't seem to work! 1/2 acre?	5/7/2018 10:40 AM
161	Resident lot size too small because of combination conservation space area added to compensate.	5/7/2018 9:47 AM
162	Prefer full acre lots	5/7/2018 9:24 AM
163	because they will find someone to develop the open spaces later	5/7/2018 9:23 AM
164	this is just a weasel way of letting developers blur the lines. Like making areas where there are high voltage power lines part of the "conservation area"	5/7/2018 9:02 AM
165	Keeps home values lower and leaves just blank, I developed green space rather than using the green space as trails or fields open to the community.	5/7/2018 7:09 AM
166	The # of homes is the problem not the amount of open space	5/7/2018 6:22 AM
167	It will still appear to be higher desity	5/6/2018 11:12 PM
168	houses closer together, less land for each owner	5/6/2018 10:10 PM
169	Lots to build upon must be an acre in size	5/6/2018 10:07 PM
170	The math would support more homes in the same space.	5/6/2018 9:43 PM
171	I feel that it cheapens the entire look of Weddington. But I also know that some people prefer that type of neighborhood. Having a choice is probably good but I prefer large lots. However an age restricted choice would naturally be a tight housing situation and I would be ok with that. I know a lot of older people in Weddington who have live here their entire life and want to stay but downsize. There is no where for them to go at the moment.	5/6/2018 8:57 PM
172	Keep with tradition and keep property values high	5/6/2018 8:37 PM
173	individual lots are too small	5/6/2018 8:34 PM
174	housing density / small lots size	5/6/2018 7:25 PM
175	a mix between the two would be good	5/6/2018 6:52 PM
176	living to close to your neighbor	5/6/2018 6:45 PM
177	Keep the minimum requirement of 1 acre.	5/6/2018 4:16 PM

## Weddington Resident Survey

178	like minimum lot size of 1 acre per house	5/6/2018 4:12 PM
179	Small lots	5/6/2018 3:29 PM
180	too much crowding in lot size, it takes away the unique look of Weddington	5/6/2018 2:19 PM
181	I like larger lot size and full use of land by land owner	5/6/2018 2:09 PM
182	Houses are much too close	5/6/2018 1:44 PM
183	lot sizes to small increasing population and not accommdating traffic. Utilities!	5/6/2018 1:42 PM
184	Too much density . will stress an already weak infrastructure	5/6/2018 1:20 PM
185	One house one acre period	5/6/2018 1:12 PM
186	stop with the building!!!!	5/6/2018 12:51 PM
187	house density appearances	5/6/2018 11:48 AM
188	lots too small, promotes higher density	5/6/2018 11:42 AM
189	The homes as too close and will end up being transitional housing and not ones that you would keep in your family in a trust that you would move from generation to generation, Parents to children to grandchildren	5/6/2018 11:38 AM
190	The developer stacks house on to of one another with long deep lots to reduce street cost. Looks awful!! Just look at new development on potters road just past waxhaw-indian trail rd.	5/6/2018 9:35 AM
191	Think each lot per Home should be at least 1 acre. No exceptions. Look at the existing conservation subdivisions, looks like homes are on top of each other regardless of what a developer tries to "sell"	5/6/2018 7:53 AM
192	houses too close together	5/6/2018 12:52 AM
193	like one acre lots or more	5/6/2018 12:44 AM
194	Prefer larger lot sizes	5/5/2018 10:18 PM
195	We moved to Weddington for its tradition of having large acre lots in lieu of dense development. It is VERY worrisome that this survey seems to have been devised to use works like "green" and "conservation" so that people are more likely to choose those options.	5/5/2018 9:04 PM
196	To many homes, which we do not need more of	5/5/2018 8:56 PM
197	denser housing also means more roads needed	5/5/2018 8:50 PM
198	I prefer all lots be 1 acre minimum	5/5/2018 7:38 PM
199	You'd likely get awful land so that prime land would be premium	5/5/2018 6:55 PM
200	I thought the rule was that each subdivision had to put back enough conservation space to average 1 acre per home	5/5/2018 6:13 PM
201	The space that is usually left is unusable anyway (river beds, marshy areas, hills, etc.), leading to great population densities in the town and many more houses. Neighborhoods with larger lots are more beautiful and enjoyable. Public spaces often become hidden and unusable except for unsavory purposes.	5/5/2018 6:03 PM
202	Will drop home prices	5/5/2018 5:12 PM
203	I would prefer the one acre concept the way it used to be.	5/5/2018 5:07 PM
204	the entire town will look too "urban" with clustered developments	5/5/2018 5:02 PM
205	Lots too small.	5/5/2018 4:53 PM
206	We live in one (LFP) and we only support the above if an amount of existing trees between lots are kept. Not just select areas of trees. Takes away from the beauty of the environment here.	5/5/2018 4:36 PM
207	Maintain 1 acre lots.	5/5/2018 4:12 PM
208	change of rules leading to further future development in the set aside space	5/5/2018 3:35 PM
209	Roads are not keeping up with the building. Too congested.	5/5/2018 3:30 PM

## Weddington Resident Survey

210	Phones are too close together and it goes against the way Weddington Has been building famili has been building for many years now	5/5/2018 3:15 PM
211	Too many houses. The original Weddington feel was larger lots per home. The conservation plan is cluttering up the town	5/5/2018 3:08 PM
212	Houses close together	5/4/2018 1:07 PM
213	i prefer homes on large lots	5/4/2018 10:57 AM
214	It jsut plays games with the space. The open space is not available to the community.	5/4/2018 9:20 AM
215	I think a balance of lot size and conservation land needs to happen. I would ask for the same 1 acre provisions or a minimum of .5 acres.	5/4/2018 8:58 AM
216	Zoning laws can change, now open space is sold and developed. 12,000sf is too small.	5/3/2018 12:21 AM
217	this option doesn't allow for character of a subdivision. It becomes very manufactured and cookie-cutter looking. The conventional allows for a more natural look to the overall subdivision and gives more character to the whole.	5/2/2018 5:18 PM
218	Strongly oppose. It will allow higher density and it reduces value of lot which ultimately reduces overall property values. Conservation easements benefit the developer and the property owners of that subdivision but few others.	5/2/2018 4:36 PM
219	I wouldn't want to live on top of everyone...having land on my property would be a must	5/2/2018 1:06 PM
220	houses looking into each other's backyards and windows. we moved here to look at trees and green space. not the sides of houses.	5/1/2018 9:43 AM
221	This does not support the reason I chose to live in weddington	4/30/2018 10:40 PM
222	crowding of homes	4/30/2018 10:19 PM
223	There is an incentive for a developer to buy large track of land that have a component of undevelopable land land ( I.e wet land, creek, etc) and claim at as conservation land. Under a conventional subdivision Most of that land would be still undeveloped while maintaining large lots for residential development	4/29/2018 10:47 PM
224	Not enough privacy and space between houses	4/29/2018 9:07 PM
225	There is already way to many houses and no road structure to support it	4/28/2018 7:16 PM
226	Small lots require sewer lines	4/28/2018 11:46 AM
227	conventional is more aesthetically pleasing	4/26/2018 3:44 PM
228	I chose this community based on the fact that Weddington had 1 acre lot restrictions. This makes us unique not just like everyone else.	4/25/2018 8:01 AM
229	The appeal of many developments is feeling of space and not crowded homes bunched together. Conservation space should be reserve/park type areas for the people of Weddington; not just within a development with crowded housing	4/24/2018 11:13 PM
230	Afraid they would develop the empty space eventual	4/24/2018 10:07 PM
231	Potential changes in regulation later year, also depreciates the value of existing hold owners	4/24/2018 8:47 PM
232	Houses are too close together. Prefer larger lots	4/24/2018 7:53 PM
233	Lots too small	4/24/2018 7:46 PM
234	Decreasing home prices	4/24/2018 6:43 PM

243	You're changing everything we moved here to enjoy	4/22/2018 9:25 AM
244	I feel that it is just a way for the developers to build more homes on land that isn't "buildable" creating higher density	4/21/2018 11:28 AM
245	I prefer conventional	4/21/2018 8:39 AM
246	Houses are too close and often the green space is land that is unusable and therefore provides no benefit.	4/20/2018 8:48 PM
247	It is too high density	4/20/2018 5:50 PM
248	to small and cookie cutter	4/20/2018 3:33 PM
249	Some day the "extra" land may be filled in with houses...then we will be too dense population wise	4/20/2018 1:45 PM
250	Do not like the density	4/20/2018 1:43 PM
251	Houses to close together	4/20/2018 1:34 PM
252	I would prefer houses be spaced apart and not on top of each other families should have yards and some privacy from their neighbors.	4/20/2018 1:25 PM
253	Don't like the crowded feeling of homes on small lots,and no guarantee green spaces will be preserved	4/20/2018 10:36 AM
254	because the government always screws up when it implements central planning.	4/19/2018 10:13 PM
255	It's a workaround for builders to build high density and it's a scam.	4/19/2018 3:07 PM
256	High concentration of non-permeable surfaces	4/18/2018 10:02 PM
257	Less privacy	4/18/2018 9:48 AM
258	Houses too close	4/18/2018 9:32 AM
259	There are enough Truman show type neighborhoods. The larger lots set Weddington apart.	4/18/2018 8:06 AM
260	each lot should still be one acre	4/18/2018 7:47 AM
261	It is merely a way to supercede R-40 zoning-Weddington's hallmark.	4/17/2018 9:02 PM
262	No growth. Waste of land	4/17/2018 8:23 PM
263	I see no advantages over 1-acre zoning.	4/17/2018 6:55 PM
264	Houses are too close together	4/17/2018 2:02 PM
265	housing is too close to one another. problems with parking, yard maintenance due to concentrate high foot traffic etc. just as well have townhouses or apartments since the close construction resembles that type of development. not something we need. totally destroys the unique character of Weddington.	4/17/2018 10:45 AM
266	The resulting "row houses" on tiny lots absolutely kill the charm of the area. I could never live in one myself. I MUST have my own acre, fence for the digs, space between neighbors, etc.	4/17/2018 10:43 AM
267	looks like the homes are on top of each other and the green space look is not acheived	4/16/2018 12:59 PM
268	Homes are too close together	4/16/2018 12:55 PM
269	Isn't as natural.	4/16/2018 9:16 AM
270	What sets aside Weddington from Marvin (the town we moved from) is the way in which Weddington preserves the 1acre lot for each home. Each home is not on top of each other and there is plenty of space for each homeowner to have personal space, instead of one on top of another and in each other's business.	4/15/2018 8:47 PM
271	Natural wetlands that could not be developed anyway are be considered as preserved land. I think only buildable land should be able to be counted for conservation	4/15/2018 7:01 PM

276	would like to build another house next to mine for my daughter	4/13/2018 4:44 PM
277	The idea is nice, but the execution has been lackluster. Even the image above indicates a neighborhood with few trees surrounding the houses, but pushed to the edges. It makes for ugly suburbia in either scenario.	4/13/2018 12:29 PM
278	Noise issues in living spaces. We moved to this area to not be on top of our neighbors	4/13/2018 11:19 AM

280	Clear cutting!	4/13/2018 5:43 AM
281	Its not in keeping with the large lot, lots of space between homes that Weddington is known for.	4/12/2018 8:10 PM
282	ReSee Randall Arendt in his new second addition update as the person that introduced conservation subdivisions he is now pointing out their shortcomings in favor of hamlets and villages. <a href="http://www.greenerprospects.com/rbd_d.html">http://www.greenerprospects.com/rbd_d.html</a>	4/12/2018 12:29 PM
283	I think this Conservation districts are good for single family home subdivisions, but I feel like we should allow some higher density development for either mixed use retail/residential communities or age restricted developments. I think these type of developments would be a good balance for our community. Without them we'll just have nothing but subdivisions and residents will be force to go elsewhere for shopping and dining options.	4/12/2018 10:31 AM

293	Houses are too close together.	4/11/2018 5:11 AM
294	Still would be bringing in more residents than our town can support. The charm and draw of this community is it's small town charm and we are already waybpast that so let's not make it worse by adding more development.	4/10/2018 10:23 PM
295	Looks like all other communities around Charlotte. Houses on top of each other. Not what weddington is about or why we moved here	4/10/2018 10:10 PM
296	larger lot (1/2 acre)	4/10/2018 9:51 PM
297	No way to guarantee "conserved" space isn't rezoned for house lots in the future. Building between existing houses to increase density (reduced lot sizes) would be difficult.	4/10/2018 9:47 PM
298	Don't want a bunch of cookie cutter homes on top of each other! Weddington could be a hugely desirable town in its own right if thought is put into the future developments	4/10/2018 9:46 PM
299	Smaller houses = overcrowding.	4/10/2018 9:43 PM

306	Takes away why I moved to this area 14 years ago. You lose even more charm the fast paste land grab has taken.	4/10/2018 9:02 PM
307	too many houses on top of each other and is a move to the cookie cutter neighborhood scenario... takes away from the essence of wedddington subdivisions as they are today.	4/10/2018 7:54 PM

309	I want R-80	4/10/2018 7:32 PM
310	I don't want to see the smaller lot size. The appeal of weddington is the larger acre plus lots.	4/10/2018 6:42 PM
311	Only 12,000 square feet why no 15,000 to 18,000	4/10/2018 6:05 PM

321	No	4/10/2018 12:05 PM
322	still think too many homes and destruction of natural spaces and trees	4/10/2018 11:51 AM
323	Houses so close together look just like high density housing. The conservation area isn't even recognizable because it counts as entrances and perimeters.	4/10/2018 11:46 AM
324	The feel ends up feeling more like track homes instead of nicely developed neighborhoods.	4/10/2018 11:35 AM
325	I like the acre minimum. The other subdivision has houses too close together. Property values drop. Allowing for the quality of family who lives in the area to drop.	4/10/2018 11:19 AM
326	Lot sizes too small with conservation space. Conservation space should be required in ALL new subdivisions.	4/10/2018 10:09 AM

## Weddington Resident Survey

343	I like the look and feel of a conventional neighborhood. More space between neighbors.	4/9/2018 7:52 PM
344	Hard to say— is it possible to have larger lots, fewer homes and still have a conservation residential district?	4/9/2018 7:27 PM
345	The reduction in size of lots	4/9/2018 6:56 PM
346	neighbors are created on small lots that are not in the line with Town of Weddington vision	4/9/2018 6:50 PM
347	houses on top of each other...go to Charlotte.	4/9/2018 5:09 PM
348	Lots are much smaller, and the houses are closer to each other.	4/9/2018 5:05 PM
349	houses to close together...who will control the open land????.....keep it 1 acre or bigger as that is how Weddington started	4/9/2018 3:58 PM
350	Larger lots are more attractive	4/9/2018 3:18 PM
351	I don't like government telling private property owners what to do -- let the private landowners work it out, without government [other than abiding by the existing regulatory framework].	4/9/2018 2:00 PM
352	Large lot sizes maintained properly by the homeowner is more appealing	4/9/2018 11:28 AM
353	1/3 acre lots create density that feels out of character with Weddington	4/9/2018 9:52 AM
354	Too much growth with no resource management	4/9/2018 9:38 AM
355	smaller lots look cheap and do not fit in well with established Weddington neighborhoods	4/9/2018 9:20 AM
356	There should be room in the middle	4/9/2018 9:07 AM
357	Larger lots look like the Weddington everyone knows. If lots are smaller we look like every other Stallings, Indian Trail, Wesley Chapel around.	4/9/2018 8:52 AM
358	houses too close together	4/9/2018 8:50 AM
359	Want more green space, trees and privacy between homes with home on one acre lot	4/9/2018 8:50 AM
360	This is used as a loophole around the 1 acre rule. It allows developers to build higher house counts on land that would otherwise be unsuitable for such counts, by declaring difficult to build areas as "conservation spaces." For example, a swampy area, an area near power lines, next to a busy road, on a steep hillside, etc. The rule should be: "the land set aside for conservation must be prime buildable land."	4/9/2018 7:18 AM
361	Seems like developers are pulling the wool over the the towns eyes selling smaller lots and "green spacing" unsuitable land. A good example of this eyesore conservation building is the Falls of Weddington.	4/8/2018 11:15 PM
362	you allow builders to "play with numbers." They will weasel the land and put power lines, perk ponds, or other unusable land in the "undeveloped" areas	4/8/2018 9:12 PM
363	developers can get around requirements by utilizing areas such as lakes, utility araeas and others. your picture does not accurately project actual land areas.	4/8/2018 8:37 PM
364	They seem to be cookie cutter crammed in mini McMansions.	4/8/2018 6:53 PM
365	With the county needing to expand the water and sewer system, current residents are having to given up some land use for this growth.	4/8/2018 3:48 PM
366	Community is not prepared to accommodate higher density developments (roads, schools)	4/8/2018 3:17 PM
367	No more growth. Keep grass and trees.	4/8/2018 3:12 PM
368	Too close together	4/8/2018 2:05 PM
369	Stop Building so many Homes - Keep Weddington Green	4/8/2018 1:19 PM
370	I would like more diversity in our town and this segregates many middle income people	4/8/2018 1:10 PM
371	My concern is, that as land value rises and availability decreases,t hose open spaces will eventually be filled in. I'm sure there would be restrictions set in place to prevent this, public servants change, and so do rules.	4/8/2018 12:23 PM
372	Lots too small. That is not what Weddington used to be.	4/8/2018 10:44 AM
373	Too crowded.	4/8/2018 9:33 AM

## Weddington Resident Survey

374	Houses too close together	4/8/2018 8:34 AM
375	It reduces the open feel of the neighborhoods. If used, the total number of lots should not exceed the number that would be allowed if divided into 40,000 lots. (10 acres could only have 10 lots.) More requirements needed to insure the entire development is properly maintained.	4/8/2018 8:01 AM
376	The open spaces will eventually be built on.	4/8/2018 6:49 AM
377	I do not support any residential development. We're already developing too fast	4/8/2018 6:18 AM
378	Too many houses!! No more subdivisions!	4/7/2018 11:40 PM
379	Allows for future development of open spaces	4/7/2018 11:08 PM
380	No more housing in Weddington!!! It's already too congested and none is thinking about the schools with all of this growth	4/7/2018 10:30 PM
381	Homes too close together. I suspect the undeveloped land would be developed at a later date anyway.	4/7/2018 9:17 PM
382	They only look good on paper but not from the street. It's looks like a cluster of mansions on too small of space, just like Charlotte. Wedding ton was created to be different. Don't let Charlotte's builders mess with our beauty for greed.	4/7/2018 9:06 PM
383	Been trying to cram this down our throats for years. It sucks. What attracted people to Weddington was the conventional subdivision. Progressives think change is better.	4/7/2018 9:04 PM
384	Small houses with little privacy	4/7/2018 7:20 PM
385	50% is too high which make lots to small - look at lake forest - lots should be no smaller then .65	4/7/2018 6:40 PM

387	Homes look smashed together and very cluttered	4/7/2018 4:44 PM

393	Like more space between homes	4/7/2018 2:19 PM
394	The houses are too close together.	4/7/2018 2:16 PM
395	I don't support any add'l growth The infrastructure does not support, nor is it improving (roads/turn lanes/schools:etc).	4/7/2018 1:53 PM
396	Limit to lots sizes. No need for more conservation subdivisions.	4/7/2018 1:26 PM
397	Lots to small	4/7/2018 1:16 PM
398	Not more building	4/7/2018 12:52 PM
399	Want to keep 1 acre lots as that is appealing to many vs sub divisions	4/7/2018 12:38 PM
400	1/3 acre lot is too small. I would support 1/2 acre conservation subdivision	4/7/2018 12:37 PM
401	The houses all look the same, totally away from what Weddington should be	4/7/2018 12:28 PM
402	I would like to see all lots remain at a minimum of at least 1 acre	4/7/2018 12:09 PM
403	Why have a 3000 sq ft house on a baby lot?	4/7/2018 10:59 AM
404	Too many houses	4/7/2018 10:55 AM
405	I would prefer to see larger lot sizes.	4/7/2018 9:02 AM
406	Hadley Park is an example of how developers game the system	4/7/2018 8:59 AM
407	They can still get in more houses total	4/7/2018 8:22 AM
408	I like weddington the way it is	4/7/2018 6:58 AM

410	Houses too close.	4/6/2018 9:49 PM
411	Houses too close together. Loses the rural feeling. We moved here 32 years ago and we built on 1 1/4 acre. We moved from Charlotte for a more country feel.	4/6/2018 9:39 PM
412	Eventually a developer will find a loophole to build in the conservation space but won't provide the infrastructure to support the population.	4/6/2018 7:36 PM
413	Small lot/more dense areas result in stripping all trees in the residential areas.	4/6/2018 7:16 PM
414	This allows developer the ability to cram too many houses per acre and this is not preferred.	4/6/2018 5:44 PM
415	Homes too close together.	4/6/2018 4:41 PM
416	look at what they do.. they hide the green space in ditches and it looks like every other charlotte housing development	4/6/2018 4:11 PM

429	Who will eventually maintain the open space?	4/6/2018 11:50 AM
430	Prefer large lots; looks like any other fast growing Charlotte suburb with the smaller lots.	4/6/2018 11:29 AM
431	Builders take advantage of it. Some neighborhoods are not done well.	4/6/2018 11:26 AM
432	My concern is that open space would invite future redevelopment by unscrupulous interests	4/6/2018 11:17 AM
433	depends on the topo, locations, flood plain etc.	4/6/2018 11:16 AM
434	Not appealing; eye sore	4/6/2018 11:04 AM
435	We should retain 40K requirement, no exceptions	4/6/2018 10:57 AM
436	Houses are still close and there is the opportunity to convert to houses the "Green " space at a latter date	4/6/2018 10:54 AM

1	Stop the sewer line project coming from Brookhaven West 12 mile creek project. Enlarge the existing line.	5/21/2018 7:11 AM
2	It's already too over-populated around here, I'll be moving when I retire because I wanted to Country Living when I moved here, it's changed so I'll be moving to a less populated area.	5/20/2018 10:13 PM
3	Not too big or too many houses in one subdivision	5/20/2018 10:12 PM
4	Weddington does not have enough (actually ANY)public open land - & subdivisions are just gobbling it up.	5/20/2018 12:33 PM
5	Too many. Too small and increases the population per sq mile and the density of subdivisions. Weddington is quickly becoming a sprawling bedroom community and therefore will increase the already overcrowding and taxing of infrastructure we already have. I would rather have fewer, larger Conservation Subdivisions, as in years past.	5/20/2018 9:04 AM
6	For any development, it would be good to see preplanning of roads, parks, sidewalks, schools etc. Seems like a helter skelter approach in this area sometimes.	5/20/2018 8:33 AM
7	Impact on traffic. New subdivisions should be required to pay for road widenings. Prefer no more subdivisions at all.	5/20/2018 7:15 AM
8	Density. As it relates to the drain on services and schools. So many new residents in a compact area changes the feel of the town.	5/18/2018 11:32 PM
9	Limit development. Infrastructure can't handle the growth. Make sure each home is on at least 1 acre.	5/18/2018 9:44 PM
10	The addition of new residential development without corresponding improvements to infrastructure.	5/18/2018 7:46 PM
11	too many houses and too many cars; overcrowded schools, traffic nightmare	5/18/2018 7:09 PM
12	NOTHING significantly is being done to the roads to accommodate the growth. It's uncontrollable growth	5/18/2018 4:15 PM
13	over crowding - houses too close to each other etc.	5/18/2018 3:39 PM
14	Too many	5/18/2018 2:16 PM
15	too many	5/18/2018 2:11 PM
16	1. Infrastructure has not been developed to support increased expansion (road use - traffic patterns; utilities; school census, et al) 2. Lot sizes less than 1 acre 3. Subdivisions that barter common areas of the subdivision with the city or state to advance the subdivisions priorities - e.g. Donating acreage to have city sewer for the subdivision; to advance unnecessary highway construction; to violate flood plains, forest area and marshlands	5/18/2018 2:01 PM
17	I don't want small lots, moved to Weddington because it was acreage	5/18/2018 12:43 PM
18	This area has far too many subdivisions going in. We moved here because of the low density and rural feeling. That is disappearing, please stop approving all of this new building, it is ruining the feeling of our community. Also, please stop changing zoning. We made buying decisions based on zoning of land around us, and when you change zoning it is like "bait & switch", it is unfair to people like me that have invested our savings in a home in Weddington. Thank you.	5/18/2018 11:22 AM
19	one acre lots provide enough space between homes. no need for 1/3 acre lots. too crowded	5/18/2018 9:42 AM
20	No homeowner codes. Owners not maintaining their yards or houses.	5/18/2018 5:45 AM
21	At least 1 acre per house like Weddington was set up for which is the reason I brought my land and build out in Weddington. Look like it got change to open space which is what I don't think we need.	5/17/2018 10:17 PM
22	Their very existence.	5/17/2018 9:43 PM

## Weddington Resident Survey

23	That subdivisions are not spaced adequately enough away from each other. One subdivision onto of another subdivision is not complementary to any town or village or area being developed. There should be a good amount of wooded area standing between each development... a healthy buffered area between subdivisions.	5/17/2018 9:24 PM
24	the road infrastructure cannot support more subdivisions. Our roads are terrible now, even without additional residential cars being added!!!	5/17/2018 9:05 PM
25	I elaborated above my main concern..instead of being reactive I would really like leaders to be proactive and work cooperatively with school officials, emergency services, transportation experts, etc when allowing development.	5/17/2018 8:40 PM
26	Too small lot sizes reducing the overall attractiveness of Weddington.	5/17/2018 8:37 PM
27	Current growth is far beyond what the current transportation corridors can handle. A 5 mile journey out of the middle of Weddington to 485 in the morning business day transit times can take up to 30 minutes. Stop the growth and address the traffic.	5/17/2018 8:15 PM
28	Lack of coordination with UCPS and other infrastructure needs.	5/17/2018 8:06 PM
29	To many homes and the builders are not responsible to improve the roads. Builders need to widen the main roads.	5/17/2018 7:44 PM
30	Too many people & too much traffic	5/17/2018 6:57 PM
31	Too many subdivision would bring more families and over crowd schools.	5/17/2018 6:43 PM
32	lack of roads to handle the subdivisions. Lack of schools to handle additional students. Increase in cars- more accidents.	5/17/2018 6:32 PM
33	Most subdivisions have roads that are too narrow for parking and driving safely through with children running around. Overall, we believe that the infrastructure can't handle more people with children in the area. We need the schools to have fewer students per classroom. Over 55+ communities would be wonderful as they would add to the tax base without overwhelming our schools. The Town and its people would benefit from community recreational green space and trails. How about building a few pretty plazas like they have in foreign countries where kids can play soccer, kickball, etc. for fun instead of having to pay to play on local fields since they are denied access to freely play on school property? For the safety and enjoyment of our children and families, we are in great support of sidewalks and crosswalks (at the schools and WCWAA soccer field) on Weddington Road 84 so please work with Wesley Chapel to see this through during the Rea Road expansion. Thank you.	5/17/2018 6:10 PM
34	Like CONVENTIONAL.	5/17/2018 5:14 PM
35	Quality of houses, number of houses on land	5/17/2018 5:09 PM
36	Overall population density straining the roads and schools. We left Waxhaw after 13 years due to it's uncontrolled growth and lack of planning for growth strains.	5/17/2018 5:08 PM
37	Growth not keeping up with road infrastructure.	5/17/2018 4:55 PM
38	Roads need to keep up with the development. I am worried we will have a great deal of traffic with all neighborhoods being built.	5/17/2018 4:48 PM
39	High density. More vechile traffic	5/17/2018 4:37 PM
40	That setbacks be maintained or increased, that requirements for visual screens--berms and trees-- be enforced	5/17/2018 3:14 PM
41	All new subdivisions should have curb/gutter and sidewalks with walking spaces/trails. Architectural materials should be higher grade such as all brick not cheaper lap siding.	5/17/2018 3:07 PM
42	School overcrowding	5/17/2018 2:47 PM
43	Increased road traffic on undersized roads. The roundabout at the downhill can be difficult to enter from Weddington Matthews Road at many times of the day.	5/17/2018 2:44 PM
44	School is getting overcrowded as it is. Road infastructure is absent to support this residential growth.	5/17/2018 2:39 PM
45	That the Union county commissioners vote for Haymond to sell very small residential parcels for commercial use. Very bad for existing home value.	5/17/2018 2:29 PM

## Weddington Resident Survey

46	Keep schools in mind, if there is no room, then there is no room, redistricting is a horrible solution to overburdening schools.	5/17/2018 2:15 PM
47	N/A	5/17/2018 1:37 PM
48	roads, schools, traffic congestion, and more crime	5/17/2018 1:24 PM
49	We need to stick with our 1 acre minimum lot size to protect the esthetic of Weddington! We are starting to look like the area around Cuthbertson with homes crammed in together!	5/17/2018 1:22 PM
50	Traffic!	5/17/2018 1:17 PM
51	Traffic, traffic, traffic. Need to keep a small town feel, that is why people moved to Weddington years ago.	5/17/2018 1:01 PM
52	Traffic on roads not wide enough to support current traffic. School overloading for schools already overloaded.	5/17/2018 12:56 PM
53	Maintain present size and type.	5/17/2018 12:49 PM
54	Not creating the infrastructure to support them. No increase in resources for schools, public safety, roads, etc. The developer creates a turn lane but that's it.	5/17/2018 12:48 PM
55	Many newer subdivisions do not preserve large existing trees, additionally they build developments with roads that are too small (which makes it less safe for residents & children....just one car parked on the road vs. in a driveway every night creates a big safety hazard). Speed bumps inside neighborhoods should become a 'norm' rather than the exception, as PARENTS are the biggest violators of neighborhood speed limits! Furthermore, safe passageways for older kids walking to & from a Middle or High school should be considered, as well as enough shoulder on roads in areas where there are many curves & speed limits too high (45 mph).	5/17/2018 12:25 PM
56	Schools overcrowded, traffic	5/17/2018 12:22 PM
57	No road improvements done on the surrounding roads	5/17/2018 12:20 PM
58	Too many subdivisions are being approved without needed infrastructure to support the increased population. Older subdivisions were never hooked up to sewers or water and yet tax rates are the same.	5/17/2018 12:12 PM
59	No mega communities	5/17/2018 12:01 PM
60	Too crowded, not enough shared green or shared spaces to play or congregate, no sidewalks and lack of safe routes for kids to walk or bike to nearby schools.	5/17/2018 11:40 AM
61	RCD was one of the biggest hoax pervaded on Weddington. All it does is put houses very close together and provides a MUCH LOWER cost (greater profits) to the developer.	5/17/2018 10:38 AM
62	traffic, overcrowding. Accidents all the time now in Weddington due to huge traffic jams and lack of proper lights/roads. Antioch Church Rd and Weddington rd has at least 1 accident a day there, very dangerous intersection.	5/17/2018 10:11 AM
63	The traffic is so bad already that we plan our doctor appointments and grocery shopping according to the school schedules and work hours. Please leave some room for the people that were born and raised here.	5/17/2018 9:27 AM
64	Capacity of local roads and availability of water and sewer	5/17/2018 7:33 AM
65	Developers get all the profit then tax payers get stuck fixing the roads they tore up while developing it and expanding schools to hold all the new kids	5/16/2018 11:34 PM
66	They are overcrowding the road system & crowding the schools.	5/16/2018 9:05 PM
67	Too large	5/16/2018 7:55 PM
68	Ugly track Home but we need affordable homes for teachers, and workers	5/16/2018 7:28 PM
69	Congestion	5/16/2018 6:51 PM
70	Too many and they are overcrowding the schools	5/16/2018 5:59 PM
71	Current roads and lack of traffic signals can't handle additional traffic. In additional, schools are already over-crowded.	5/16/2018 4:17 PM
72	Too many of them being built at once	5/16/2018 3:31 PM

## Weddington Resident Survey

73	Planned infrastructure with wider roads and more access points to 485. A longer term plan to address school growth.	5/16/2018 2:57 PM
74	More traffic on two lane roads and over crowded schools	5/16/2018 2:12 PM
75	We need wider 2 lane roads, more schools, more traffic signals at congested intersections	5/16/2018 11:48 AM
76	Weddington has been built out too much especially after current new subdivisions are complete in next 5 years.	5/16/2018 9:28 AM
77	Too many people. If growth isn't slowed, we will be hurt by the amount of people and the character of the town will be changed forever.	5/16/2018 7:36 AM
78	More subdivisions being created but no roads being built or widened to handle the extra traffic.	5/15/2018 8:58 PM
79	Our roads are already so poorly maintained and heavily trafficked. Also, our town no longer has a country feel. Now it is just turning into a suburban area with no green space/farmland and is just neighborhood after neighborhood.	5/15/2018 4:59 PM
80	For conservation districts, how is the green space maintained? How is development of the green space prevented in the future?	5/15/2018 4:32 PM
81	Too much density for rural road system.	5/15/2018 3:41 PM
82	They create a high population density that cannot be handled by current highways when added to the current developments.	5/15/2018 2:37 PM
83	Our schools nor our roads are able to keep up with the constant population growth	5/15/2018 1:24 PM
84	Too many for our schools and roads to support	5/15/2018 12:24 PM
85	Strain on Sewer capacity	5/15/2018 12:03 PM
86	infrastructure in place to handle, schools	5/15/2018 11:35 AM
87	More people/kids with same number of schools equals a big problem long term. Require developers to fund schools if they are permitted to build in Weddington.	5/15/2018 10:48 AM
88	See #5	5/15/2018 9:32 AM
89	Don't like cookie cutter houses, close together, and there should not be low income housing put in Weddington. There is enough commercial bldg all around Weddington and enough parks! Don't need more!	5/14/2018 9:55 PM
90	Developers and town planners do not consider how adding so many residents will affect schools, roads, property values, light and sound pollution, lack of small town charm, etc.	5/14/2018 7:52 PM
91	Building cheaper homes would devalue the area!!! Most of us moved here for more space and more expensive housing all around us.	5/14/2018 6:13 PM
92	Overbuilding, crowded roads and schools, too much traffic, no parks and green spaces- little regard to land conservation is ruining our area.	5/14/2018 5:15 PM
93	Traffic	5/14/2018 5:03 PM
94	too many house per sq.ft	5/14/2018 4:47 PM
95	My concern with subdivisions is that the size of lots and amount of space they take up won't lend space for a public parkland/green space for the city of Weddington. We are in desperate need of these green areas and parks.	5/14/2018 4:32 PM
96	Extra traffic on 2 lane roads	5/14/2018 4:23 PM
97	The existing road infrastructure cannot handle the increased traffic. At peak traffic times, it is impossible to turn into the primary roads, no traffic lights or roundabouts.	5/14/2018 4:18 PM
98	Lots too small - homes smaller and lower value	5/14/2018 3:48 PM
99	No comment	5/14/2018 3:45 PM
100	Would like pedestrian pass thrus between neighborhoods for walking/biking.	5/14/2018 3:41 PM
101	Traffic flow onto crowded streets. Schools that are not expanding having to handle more that they are designed to hold.	5/14/2018 3:09 PM
102	Overcrowding	5/14/2018 2:09 PM

## Weddington Resident Survey

103	Small lots	5/14/2018 2:03 PM
104	to dense population for roads	5/14/2018 1:04 PM
105	Traffic, wildlife	5/14/2018 12:23 PM
106	Too many houses crammed in the subdivisions causing even more traffic issues.	5/14/2018 12:15 PM
107	Larger number of vehicles on roads. Would prefer not to widen roads and take away green natural roadways. Also prefer acreage not be clear cut, keeping as many trees as possible.	5/14/2018 12:01 PM
108	Lot sizes and cheap housing. Small lots and cheap hosing would bring down property values and it is not necessary for the town of Weddington to grow.	5/14/2018 11:02 AM
109	The increase of traffic during commute times on a road system already beyond capacity. That's pretty much the case for our region, regardless of location.	5/14/2018 7:31 AM
110	Lot size too small. Increased overall traffic and congestion on surrounding public roads without improvements to those public roads.	5/14/2018 6:32 AM
111	They all look the same	5/13/2018 9:31 PM
112	Too many going up really fast	5/13/2018 8:25 PM
113	traffic congestion, traffic lights and condition of roads.	5/13/2018 7:18 PM
114	Too much new building with no plan for improving roads and planning for new schools; traffic becoming too congested	5/13/2018 5:57 PM
115	growing too fast traffic is out of control. we are losing our identity as a country town	5/13/2018 5:17 PM
116	traffic	5/13/2018 4:43 PM
117	Too much traffic	5/13/2018 4:42 PM
118	Developers do not pay enough infrastructure costs to cover roads, schools, etc. This should be included in development costs	5/13/2018 4:19 PM
119	Overall additional density and traffic	5/13/2018 4:06 PM
120	town roads are not upgraded fast enough to handle increases in car volume	5/13/2018 2:47 PM
121	Want to keep quality a factor. I prefer brick/stone/hard stucco structures - not vinyl siding.	5/13/2018 2:07 PM
122	too much traffic already .. no one goes 45 mph on Hwy 84 ..we need a sign that says "subdivision ahead" ..	5/13/2018 10:57 AM
123	Small lots / lack privacy	5/13/2018 10:37 AM
124	Running sewer systems and utilities	5/12/2018 5:32 PM
125	Too many people for the size of roads and the capacity of the schools. The roads and schools are already full	5/12/2018 5:20 PM
126	Small lots	5/12/2018 4:15 PM
127	the roads are not designed to support the traffic on the outlets (e.g. Lochaven to Providence)	5/12/2018 4:07 PM
128	Too many and not enough businesses to support tax base.	5/12/2018 2:32 PM
129	Too much traffic, too much congestion. We love weddington because of the trees and undeveloped land. There have been way too many new neighborhoods going up.	5/12/2018 10:32 AM
130	traffic growth. Do not want to be rotten Charlotte like!	5/12/2018 10:26 AM
131	See above answers for concerns. For age-restricted communities, where these are being built in Matthews right now, leave them in Mecklenburg County! These developments are best for when they are built close to an existing commercial development so the 55/65+ owners can walk or drive their golf carts to the stores or downtown areas. Building these out off of Beulah Church Rd or Antioch Church Road, doesn't help anyone. If these developments have to be built, place them beside of our commercial development area by our Town Hall so people can walk back & forth.	5/12/2018 9:59 AM
132	Making sure the infrastructure (roads) are in place.	5/12/2018 8:39 AM
133	Everything is beginning to look the same. Boring.	5/11/2018 9:54 PM
134	They get all the attention. We have been begging for water. Roads not wide enough. Traffic.	5/11/2018 6:32 PM

## Weddington Resident Survey

135	Falls at Weddington did not take care of storm runoff in early phases and in general seemed to clear cut much more than the plat that I was shown	5/11/2018 3:59 PM
136	Concern it the current explosive growth and that we will not have the infrastructure to support.	5/11/2018 11:45 AM
137	Tiny streets. cars parked on street, too many cars, random stuff in yards, overgrown plants and shrubs, cheap construction .Also, over growth...crowding of schools, roads, intersections, losing rural type atmosphere, more dense population, more crime.	5/11/2018 11:45 AM
138	too many in our area.... we will be a town with no trees and all homes	5/11/2018 11:06 AM

140	houses that are close together	5/11/2018 10:29 AM
141	There are too many subdivisions with too many houses. We need to conserve our land. Our roads need repair and are over crowded.	5/11/2018 9:29 AM
142	Our roadways are too congested already	5/10/2018 9:49 PM
143	causes over crowding in schools and more traffic and infrastructure burden	5/10/2018 8:49 PM
144	None	5/10/2018 8:34 PM
145	Traffic, water, fire coverage	5/10/2018 8:07 PM
146	All subdivisions need a dedicated turn lane into and out of the community in order to insure safety.	5/10/2018 5:56 PM
147	That there are too many of them and the infrastructure can't support them. There is already too much traffic on Hemby Road.	5/10/2018 5:55 PM
148	There are too many. It is ruining the town. The schools are impacted. The greenspace is being destroyed. The value and culture of our town is being harmed.	5/10/2018 4:06 PM
149	Too many being built	5/10/2018 12:53 PM
150	Area would grow to fast and property value goes down.	5/10/2018 12:46 PM
151	too many	5/10/2018 11:29 AM
152	Scale of things that are mostly government provided now --- roads (traffic), school capacity. Consider impact fee to support scaling with growth.	5/10/2018 11:18 AM
153	Partly answered in question 5, additionally, in the last large survey years ago 96% of the 6000+ residents responded, and unbelievable number, but they did, and they preferred that the community remain a bedroom community, and not fall victim to the large city rule. The fear then by some wanting large city development was the the taxes would be high, but that has proved bogus. The conservation districts seem to yield to the "New York" type of subdivisions which appear crowded, with no large trees left in the housing portion of the subdivision. We have found many other problems with the CSD system forced upon us when 98% of the residents before a packed meeting at Weddington High School opposed such...our reps were voted out, but too late. Don't continue to make the same mistake over and over expecting a different answer.	5/10/2018 10:53 AM
154	Turning out of subdivisions on busy roads (like Rt 84) can be difficult. If subdivisions were connected, you might be able to get out on a less busy road.	5/9/2018 9:38 PM
155	Density	5/9/2018 7:39 PM
156	too many new ones going in without the infastructure to support, we are on our 4th or 5th school redistricting since we moved here in 2000. The roads cannot handle the increased traffic. The schools are over crowded. Let's slow down and regroup and make the most of what we currently have and improve these areas before we jump into adding more and more.	5/9/2018 6:21 PM
157	No opinion	5/9/2018 2:50 PM

## Weddington Resident Survey

163	See above comments. I am very concerned about the proximity of the lots at the new subdivision on the corner of Beulah Church and Weddington road.	5/9/2018 11:58 AM
164	Weddington town council has given developers permission to build too many developments. When these are completed the traffic problem is going to be even worse than now. Our quality of life now is less than before.	5/9/2018 11:06 AM
165	Traffic, there is development all around Weddington and the surrounding counties with out infrastructure to support the increase in population. Its gets measurably worse by the day.	5/9/2018 10:55 AM
166	Infrastructure not able to keep up with rapid growth.	5/9/2018 9:52 AM
167	Traffic density	5/9/2018 9:06 AM
168	There are not enough major roads to support the continual development in the area. Too many autos for 2 lane roads	5/9/2018 8:25 AM
169	overcrowding	5/8/2018 10:53 PM
170	Too many homes in the subdivisions which would increase the schools number of students.	5/8/2018 9:19 PM
171	inadequate roads and infrastructure to support massive growth	5/8/2018 8:34 PM
172	too many	5/8/2018 8:17 PM
173	Too much land waste	5/8/2018 7:27 PM
174	Over crowding public facilities need to designate land for schools	5/8/2018 6:59 PM
175	Too many are popping up and causing over crowding in the schools and traffic issues. Not to mention the unsightly water tower that was built.	5/8/2018 5:13 PM
176	Strain on schools and increased traffic. Most of us moved here to get away from Charlotte. Weddington and Ballantyne are too similar now.	5/8/2018 4:13 PM
177	To many	5/8/2018 4:05 PM
178	Too many homes resulting in too much traffic.	5/8/2018 3:40 PM
179	Uncontrolled growth!	5/8/2018 1:46 PM
180	Need to have sidewalks on both sides of the street throughout the community. It would promote exercise and keep people out of the road. In some subdivisions I feel like the roads are too narrow.	5/8/2018 12:50 PM
181	Strain on already difficult traffic	5/8/2018 12:27 PM
182	The lack of planning put into the over strained infrastructure the county and town already has. Just because there's an "empty" lot, does not mean slam a development or strip mall-esque structure upon it. Planning for the future, and not the 5 year immediate, but ten to 20 years down the road, should be a priority before allowing more housing.	5/8/2018 12:05 PM
183	Too many, too fast. Lot sizes way too small. Too much traffic as no roads are being built to accommodate all the new houses.	5/8/2018 12:02 PM
184	Small lot sizes, and too many of them. This is not why we moved out here...	5/8/2018 11:36 AM
185	Traffic and infrastructure to properly support.	5/8/2018 11:12 AM
186	Traffic, ease of access to major routes utilizing traffic lights.	5/8/2018 11:05 AM
187	Overcrowded schools and roads.	5/8/2018 10:19 AM
188	Most of us moved to Weddington for the beauty, the country feel, and the peace. I, personally, do not want it to become just another urban part of Charlotte.	5/8/2018 9:53 AM
189	There are too many of them.	5/8/2018 9:46 AM
190	Traffic and roads not meeting the need!!!	5/8/2018 9:44 AM
191	Increased traffic	5/8/2018 9:41 AM
192	Too crowded too much traffic, must build infrastructure before development. this is not New York where they are jammed on top of each other. Reason I moved here was for the open space. In the name of progress you are ruining this town.	5/8/2018 9:27 AM
193	They will increase traffic in an already congested area.	5/8/2018 9:24 AM

## Weddington Resident Survey

194	Too many homes in a subdivision.	5/8/2018 9:21 AM
195	Traffic - Antioch Church Road for example - too many homes to go in and no traffic control. Roads were also not built to withstand the construction in those neighborhoods!	5/8/2018 9:14 AM
196	Inexpensive homes, small lots less than 1 acre	5/8/2018 9:01 AM
197	The open farmland and big mature trees are what makes Weddington beautiful. As more and more subdivisions are built this beauty is being demolished. I fear at some point Weddington is going to look like an overcrowded mess like Charlotte and Huntersville. Houses everywhere and people living on top of one another! In addition, in the last 2.5 years we have noticed congestion has increased dramatically. Overall, I would say our quality of life in Weddington is decreasing. Please limit growth!!! We love this community and want to maintain the small town county feel.	5/8/2018 8:50 AM
198	Too many new homes before the roads can support it creating commuting headaches, overcrowding of schools causing kids having to be redistricted. People live in Weddington because of the spacious country feel. Too much development will just make it like Matthews. We've already seen too many developments go in since rebuilding started.	5/8/2018 8:34 AM
199	Sewer needs..I	5/8/2018 8:24 AM
200	lots are to small and many houses	5/8/2018 8:11 AM
201	Habitat for animals is disappearing at an unbelievable rate. Construction run-off is not controlled. Infrastructure is not able to support the development. Traffic is overwhelming.	5/8/2018 7:17 AM
202	More families that will overload our schools leading to larger classrooms; higher ratio of kids to teachers. More traffic.	5/7/2018 11:11 PM
203	No concerns	5/7/2018 10:54 PM
204	We need better county roads (wider, properly lit) in order to support all these new residents in all these new neighborhoods.	5/7/2018 8:08 PM
205	no new construction	5/7/2018 7:47 PM
206	infrastructure does not keep pace with development. ie: Road systems, sewer, water, utilities.	5/7/2018 7:33 PM
207	Too many, too fast. Destroying our roads with all the trucks and adding too much traffic before roads can handle the added vehicles.	5/7/2018 7:26 PM
208	For age restricted sub divisions, if they can't sell to seniors, they will sell to anyone and causes an unintended negative effect on the town.	5/7/2018 7:15 PM
209	More master planning, less thrown together one off, piecemeal "developments".	5/7/2018 7:08 PM
210	Too many new houses on small lots	5/7/2018 7:02 PM
211	Covenants not being enforced and followed This is true even with the builders (Toll Brothers)	5/7/2018 6:50 PM
212	cutting down existing trees is a major concern for the future, also too many subdivision leads to congestion on the road and schools. these affect the quality of life	5/7/2018 6:46 PM
213	There should still be a provision to require conservation or green space in all communities to provide parks, beautification of the town. Too much emphasis has been placed on clearing the land of mature trees and developing every square inch for profit. IF the town does not effectively managed the development request to a larger master plan that include preservation of nature habitat, trees, and green space /park land.... the developers will come... leave behind high density communities and strip malls and the very reasons that we desire to live in Weddington will be lost.	5/7/2018 5:58 PM
214	Too many too large developing too fast	5/7/2018 5:45 PM
215	Sub-divisions cause overcrowding in public schools and traffic bottle necks. Existing roads not designed to handle the additional influx of people.	5/7/2018 5:41 PM
216	too many	5/7/2018 5:36 PM
217	over loading utilities i.e. sewer, water, and infrastructure roads.	5/7/2018 5:31 PM
218	Too many, no infrastructure to handle the traffic, schools can't handle the increase in students, lessens the quality of life - nothing to traffic and congestion and noise and pollution.	5/7/2018 5:12 PM
219	Increased traffic, damage to existing roadways; these roads in Weddington were never meant to handle the ridiculous amount of traffic we have now, dislike too many houses on small lots right on top of each other, and all this building is very hard on indigenous wildlife.	5/7/2018 5:08 PM

## Weddington Resident Survey

220	No more subdivisions! We are only making land developers and building contractors rich. Every new house puts at least 2 additional vehicles on our roads. People on Hwy 84 can't get out of our driveways now. I realize that a lot of the traffic is overflow from other counties and that just shows their desire for tax revenue and control.	5/7/2018 4:43 PM
221	I would prefer some of the new neighborhoods to have homes that are priced less than \$400 to diversify the new residents.	5/7/2018 4:30 PM
222	destroys the small town atmosphere which is what makes this area desirable. Increases local tax burden, strains local schools, traffic, infrastructure and, specifically, fire and police service.	5/7/2018 4:09 PM
223	Too many additions without supporting the infrastructure.	5/7/2018 4:02 PM
224	Density of population. 1/3 acre lots create more density of population and will lead to the necessity to widen roads, increase School capacities, etc.	5/7/2018 3:46 PM
225	not enough green space and too much traffic	5/7/2018 3:35 PM
226	Homes being too close, taking away from the dense forestry that makes this town, and not having rude neighbors building houses that back up your yard which you have maintained since 1989. ( Current situation)	5/7/2018 3:08 PM
227	Skinny long lots right beside one another is not what the town of Weddington is supposed to be	5/7/2018 2:43 PM
228	building without regard or planning for the increased traffic on our roads	5/7/2018 2:25 PM
229	Too many subdivisions approved without concerns about increase in traffic on current roads or the impact on infrastructure, public utilities, or the school system. There is too much interest in increasing the tax base without concerns of the citizens.	5/7/2018 2:14 PM
230	additional traffic	5/7/2018 2:09 PM
231	road upkeep, repaving	5/7/2018 2:08 PM
232	ROADS! Either expand to a minimum 3 lane roads that support Weddington growth (the WHOLE road not just in front of the "new" subdivision) or quit approving growth.	5/7/2018 1:28 PM
233	too many cul-de-sacs (some smaller subdivisions have only one outlet to main road).	5/7/2018 12:52 PM
234	Not enough commercial development to support all the people	5/7/2018 12:45 PM
235	Prefer conventional. We have lots of land that could be put to better use.	5/7/2018 11:20 AM
236	Infrastructure is not keeping pace with housing growth. Traffic is awful, roads are in terrible condition, schools are getting overcrowded (again)...and we do not have adequate water/sewer service to accommodate the population growth.	5/7/2018 10:49 AM
237	Road use, traffic, water, sewer, schools, taxes	5/7/2018 10:40 AM
238	don't want more sewer lines more traffic	5/7/2018 10:00 AM
239	Conservation space should not be considered as part of home site!	5/7/2018 9:47 AM
240	Too many now, let neighboring towns have them, not Weddington	5/7/2018 9:24 AM
241	traffic, roads, school space, water consumption, property tax rates to pay for it all, trash everywhere, light pollution, water pollution, real estate crash leaving all the interest only loan houses in default	5/7/2018 9:23 AM
242	I don't like new subdivisions affecting established ones by adding sewer lines down a creek easement. The developers should foot the bill to use existing road R/W and pay for pumping stations if necessary	5/7/2018 9:02 AM
243	That they are done with an aim of immediate profit to less quality developers instead of toward a longer view of making neighborhoods as foundations of Weddington's long-term stability and growth.	5/7/2018 7:09 AM
244	The roads and infrastructure is not in place to support large neighborhoods with .25-.50 acre lots.	5/7/2018 6:22 AM
245	Traffic, overall congestion will take away from the exclusivity and quality of life in weddington. One thing that makes living in weddington special is that it's close to the city but it's tucked away.	5/6/2018 11:12 PM
246	approving of subdivisions where the builder does not have the finances to complete the project as happened on Weddington Rd. which leaves us all driving by seeing erosion, a project that failed and obviously will not be completed.	5/6/2018 10:07 PM

## Weddington Resident Survey

247	Increased traffic and lack of water/sewer capacity. My community is currently being impacted by having a sewer line run through homeowner's properties to support the seemingly uncontrolled growth.	5/6/2018 9:43 PM
248	The quality of the new build is not what I would call quality.	5/6/2018 8:57 PM
249	Increase in population which impacts schools, traffic, and crime.	5/6/2018 8:37 PM
250	loss of natural habitat , tree removal to make developers jobs easier	5/6/2018 8:34 PM
251	housing density / small lots size	5/6/2018 7:25 PM
252	There are WAY too many subdivisions going in without fixing road issues. To many roads have no turn lanes, stop lights or traffic circles to help with all the traffic. There are times of day during the week that you just don't even try to go out, it's terrible.	5/6/2018 7:03 PM
253	There is not enough of them and as one of the 3 founders of WCWAA I started the ballpark which is now the largest athletic association there is (google it) I learned how to gather community support to elect multiple different councils all over, mayors (Charlotte when last republican) all the way to governor. Weddington will return to the community we started it out as with an elected council having educated long term residents that know and don't have to ask what the community wants. There's been 25 random people that have controlled the votes for too long while city council listens to them and not the silent majority who always wins in the end.	5/6/2018 7:00 PM
254	My husband and I moved to Weddington, from Charlotte 12 years ago and since that time we are experiencing dramatically increased traffic directly related to all the development in the area. With this new traffic comes the need for improved roads, and on and on....Pretty soon life here will be as hectic and noisy and what we were trying to get away from!	5/6/2018 6:52 PM
255	too many	5/6/2018 5:10 PM
256	There are too many subdivisions going up at once without the infrastructure to support this. Traffic among narrow roads very heavy and dangerous with no shoulders and no turning lanes in many areas.	5/6/2018 4:16 PM
257	too many & traffic is getting worse	5/6/2018 4:12 PM
258	Quit building until you have the infrastructure in place first and narrow two lane roads are not acceptable for the level of growth here.	5/6/2018 3:16 PM
259	existing subdivisions' school district that are in Weddington district being readistricted to carry load of new families moving in. Also the growth of area but roads not being on pace with the growth.	5/6/2018 2:50 PM
260	too small of a lot size, too much crowding of homes	5/6/2018 2:19 PM
261	My major concern is that the growth of this town has occurred so rapidly that nobody has addressed the traffic and inadequate roads to accommodate flow to the highways.	5/6/2018 2:09 PM
262	Lot sizes, traffic, and utilities (sewer, septic, water),	5/6/2018 1:42 PM
263	Houses densely packed land with poorly design ed "conservation space..as you have allowed around town..)	5/6/2018 1:12 PM
264	none!!! stop building and creating TRAFFIC!!!	5/6/2018 12:51 PM
265	more homes equals more traffic. Current roads are out dated and in need of repair	5/6/2018 12:39 PM
266	Safe for Children to navigate.	5/6/2018 11:58 AM
267	increased traffic on roads	5/6/2018 11:48 AM
268	higher density, lower building quality, school overcrowding	5/6/2018 11:42 AM
269	Smaller homes, small lots, mixed with townhomes etc	5/6/2018 11:38 AM
270	At some point in the future the unused "natural space" in conservation districts will be developed.	5/6/2018 11:38 AM
271	Too many popping up!	5/6/2018 10:42 AM
272	There seems to be limited coordination with the large influx of new residents who drive and the upgrades to the road network, signage and traffic lights.	5/6/2018 10:20 AM
273	Traffic is getting really bad, especially during rush hours times. The town is lacking in green/public spaces for residents, the only thing that is growing is the traffic mess in Weddington.	5/6/2018 10:05 AM

## Weddington Resident Survey

274	Save the trees! Save the open space. Building permits should not be granted unless there is infrastructure in place to support the growth. Road widening, left turn lanes, schools, etc. Part of the cost should be paid for by the developers.	5/6/2018 10:02 AM
275	Too many conventional. Ruining country charm of the area	5/6/2018 9:59 AM
276	Local roads and schools can't handle growth.	5/6/2018 9:35 AM
277	Type of structure....lack of access roads to new subdivision	5/6/2018 9:29 AM
278	Too many. Need to keep our community more rural.	5/6/2018 9:21 AM
279	Too many to keep up with road improvement!	5/6/2018 8:43 AM
280	Not able to manage the traffic. Look at Hollister neighborhood or any one on 84 trying to turn left in the mornings	5/6/2018 8:43 AM
281	Traffic	5/6/2018 8:38 AM
282	Unaffordable housing. Homes too large for the average family to afford maintenance, etc. We are pricing our children out of living close by and our aging population to stay near to us.	5/6/2018 8:03 AM
283	Concern - Clear cutting trees to make it easier for the developer to put up homes. Need to keep as many trees as possible for "appearance". Any subdivisions having less than 1 acre homesites per residence is a HUGE concern. Developers should HAVE to put in a side walk along side any busy thoroughfare they build on ie Hemby, 12 Mile, 84, etc. This way residents can walk the trails and ride bikes. If developers refuse, they shouldn't have the ability to put up a new development.	5/6/2018 7:53 AM
284	Too many	5/6/2018 7:48 AM
285	too small lots	5/6/2018 12:44 AM
286	sewer capacity, traffic congestion	5/5/2018 9:08 PM
287	Why are more and more new subdivision needed? Very few existing resident want this.	5/5/2018 9:04 PM
288	Town is over grown with homes,which schools and roads can not support	5/5/2018 8:56 PM
289	Huntersville, Harrisburg, Pineville, are experiencing exponential growth which also means they are having road problems. How will our infrastructure work with higher population?	5/5/2018 8:50 PM
290	We need to continue to restrict growth as much as feasible. Schools are overcrowded and the local roads are the same country roads we had many years ago, but with a lot more traffic than they were ever intended to accommodate.	5/5/2018 7:52 PM
291	traffic	5/5/2018 7:07 PM
292	They cause problems everyone must get involved in solving. Subdivisions think of their best interests first.	5/5/2018 6:55 PM
293	access onto "main" roads with failures of developers to be required to put in left/right turn lanes or to help with town infrastructure costs	5/5/2018 6:13 PM
294	Subdivision on Hemby and Matthews Weddington road has small lots. The roads are congested, traffic lights need improvement,and schools are ordering more trailers in order to keep up with the demand.In addition, the power project is not aesthetically appealing.	5/5/2018 6:11 PM
295	Too many houses on tiny lots. Subdivisions cause increased traffic congestion. I would support the town purchasing land even if it cost us much greater taxes. Weddington has changed too much lately and my worry is that it is almost too late to do anything about it.	5/5/2018 6:03 PM
296	Over crowding and loss of property value.	5/5/2018 6:01 PM
297	traffic: roads have not been expanded yet number of car trips has multiplied dramatically in the last several years. Union County charter school and developments at Weddington and Hemby intersection will only make this worse.	5/5/2018 5:48 PM
298	The entry price of homes. Please keep the higher value homes.	5/5/2018 5:12 PM
299	The way they used to be. With 1 acre or more for each lot.	5/5/2018 5:07 PM
300	adequate access to high speed thoroughfares to eliminate bottlenecks and dangerous intersections	5/5/2018 5:02 PM
301	too many too close and roads are not able to handle traffic. Potter Road can be a problem.	5/5/2018 4:53 PM

## Weddington Resident Survey

302	Cutting down too many trees along Hemby Rd.	5/5/2018 4:48 PM
303	Our concerns would be to avoid have any more subdivisions that are greater than 75 homes. The beauty of this town is the existing trees and farms. While it makes sense for the farm owners to sell, it does not make sense to crowd lots and take down existing trees to expose homes to each other. Takes away the uniqueness of our town. Also, we are concerned by the fast growth and the town inspectors not catching things when they should and then we get into a builder vs inspector blame war. Growth is great and is expected, but not at the cost of trees and homes that are safe.	5/5/2018 4:36 PM
304	The cheesy and tasteless look of something like Waverly. If town is going to force feed a PUD, think Baxter or one of many Southern Living communities.	5/5/2018 4:04 PM
305	Traffic, road infrastructure already completely inadequate for current residents	5/5/2018 3:35 PM
306	Too many being approved.	5/5/2018 3:30 PM
307	We are building too many of the same type homes. Developers are profiting but not necessarily the people of Weddington.	5/5/2018 3:15 PM
308	Overdevelopment of Weddington.	5/5/2018 3:08 PM
309	We need to not be just a "subdivision city". Parks, open spaces, retail and commercial space are part of a vibrant and connected community. We are far too over-rotated into a "subdivision only" mindset. We need bike paths, walking trails, and reserved open areas.	5/5/2018 3:00 PM
310	more traffic	5/5/2018 2:52 PM
311	The town's roads are already too busy and schools are filled. Any more growth and we will look like every other town outside of Charlotte-crowde and congested	5/5/2018 2:48 PM
312	Large lots with lots of trees	5/4/2018 6:36 PM
313	Way too many of them, area losing uniqueness with cookie cutters houses that are all basically the same. Overcrowding	5/4/2018 1:07 PM
314	I don't like the lot sizes that are being allowed in some of the new neighborhood. They are too small and conflict with what we thought Weddington stood for.	5/4/2018 8:58 AM
315	That the road infrastructure has not been upgraded to deal with the increase in traffic and that schools have not been upgraded to deal with an increase in population.	5/3/2018 9:28 PM
316	Small lots under an acre.	5/3/2018 4:33 PM
317	Traffic and high density takes away from the small town feel	5/3/2018 10:30 AM
318	Traffic, reserving space for future and current traffic needs.	5/3/2018 7:49 AM
319	Off site road improvements to support	5/3/2018 7:40 AM
320	Not well designed, too much clearing	5/3/2018 12:21 AM
321	You trying to cheaply run sewers through back yards vs roads	5/2/2018 10:12 PM
322	Make sure that there are plenty of options from the builder for the homeowners to choose from and set standards on how the homes are to be different and unique to the others around it. also set strict regulations on landscape and upkeep on years with HOA's. Wedding ton is a very coveted area and if homeowners choose to build here, they will have no problem complying to the regulations. All would agree that Weddington needs to stay a beautiful place to live and be proud of.	5/2/2018 5:18 PM
323	I oppose subdivisions that would reduce the character of Weddington as a lower density, upper scale township. Congestion is already too great. We need green spaces that offer opportunities for children and families and everyone to enjoy nature. Have you read "Last Child in the Woods" regarding the need for our society to spend more time in nature? If you can protect our woods and farms, please do so. Family farms are dying but they need to be incentivized. Traffic, congestion, and higher density developments are not why we moved to Weddington.	5/2/2018 4:36 PM
324	there are too many going up and roads and schools cannot keep up	5/2/2018 1:06 PM
325	In the high school halls, in the shopping malls. Conform or be cast out.	5/2/2018 12:36 PM
326	Death of wildlife. Clear-cutting of trees, installation of sewer & water lines which mean sacrificing old- & medium-growth trees & undeveloped space, and the development of every square inch of Weddington.	5/1/2018 1:19 PM

337	stress on the infrastructure. traffic.	4/25/2018 11:12 AM
338	Allowing 1/3 acre lots. I do like the idea of 55 age restricted developments which goes against the wanting 1 acre lots, because it does not work to have that says lots. 55 + community creates tax dollars with less effect on schools and road congestion. Most 55+ communities allow a certain percent of people being under 55, but no resident can potentially effect the school, hense no children. That is a 55 commuities rule, because there promise to the community is that they are providing tax dollars with a promise not to effect the school.	4/25/2018 8:01 AM
339	There are already too many popping up. Traffic is horrific and made worse with inadequate infrastructure on Providence due to Waverly. Taking almost 20 minutes to go from Hemby to I-485 is unacceptable and will just worsen with more developments and retail added to town of Weddington. The charm of Weddington will be lost. Stop the madness - there is too much development and zero retail needed in Weddington given all the retail a few minutes down Providence Rd	4/24/2018 11:13 PM

353	Their impact on neighboring subdivisions and current infrastructure	4/23/2018 3:27 PM
354	Too many. You are allowing Weddington to be over-developed.	4/23/2018 10:56 AM
355	RCD is developer friendly, not community friendly	4/22/2018 12:24 PM
356	Should be R40 only	4/22/2018 11:06 AM
357	You're turning house farms into house farms	4/22/2018 9:25 AM

## Weddington Resident Survey

358	Developers should be charged with ensuring that the infrastructure supports these large neighborhoods prior to building.	4/21/2018 11:28 AM
359	Too many big homes on small lots	4/21/2018 8:39 AM
360	Schools, road maintenance, heavy traffic, public safety; I could continue.....	4/20/2018 8:48 PM
361	Dear Weddington, We are having our cake and eating it too. We need to share. We moved to this place for a reason 11 years ago. It was beautiful and it was country - but was easy access to the city. (I know you have heard this lament before) Do we really need another million \$ subdivision? Can residential taxes pay for the services that this type of consumer wants? Can't someone design a mixed use center. Maybe with Sec. 8 apt. on top. I don't know what the legal restrictions are but I do know that all poor people are not criminals and they have the same hopes and desires as you do. Lets look outside the box and try to accommodate 'others' to make them 'us'. I'm sure Mr. Moser can figure something out. It's his home now too. Peace, Lin	4/20/2018 5:50 PM
362	Weddington stands out because there's no "house farm" type neighborhoods. Busy roads is a concern. It's already a madhouse in the mornings getting around. It's as if any unused space with trees is getting bought, cleared and used by unscrupulous builder that don't care 2 bits about the town. Stricter permits would control that from occurring.	4/20/2018 4:48 PM
363	with more houses, there will be more children and cars. Our current infrastructure does not adequately support the current traffic patterns and the schools are continually redistricting. Making some neighborhoods difficult to sell due to the concern they may be moved to another school every 3-5 years.	4/20/2018 4:08 PM
364	Too many too fast with lack of infrastructure	4/20/2018 1:43 PM
365	Not enough space in schools.	4/20/2018 1:34 PM
366	There are a lot of them being built currently. Are school size and school availability being considered? Also use of roads and traffic?	4/20/2018 1:25 PM
367	Keep trees. When they plant, plant large trees. Large green lots are what Weddington is known for and will keep the property values up as other towns allow small lots and lots cannot hold lush vegetation. This will keep Weddington unique and hold up property values.	4/20/2018 1:19 PM
368	What happened to keeping Weddington a rural small town? With all the developments going in where what are we going to do with all the traffic, school over crowding, etc...	4/20/2018 1:18 PM
369	Infrastructure will not support them and the congestion they bring.	4/20/2018 10:36 AM
370	Do not permit "Conservation residential districts" . It's a complete scam on the town and a profit windfall to the builders.	4/19/2018 3:07 PM
371	I believe there is something that people want which you are not offering, which is something in between conventional and conservation. Specifically lots of 1/2 acre to 3/4 acre with houses not so close to one another as conservation, and still having some conservation space.	4/18/2018 10:14 PM
372	Reduction of minimum lot sizes	4/18/2018 10:02 PM
373	need more commercial development.	4/18/2018 2:24 PM
374	cutting down the trees and clearing lots	4/18/2018 12:56 PM
375	Houses too close, congestion, etc	4/18/2018 9:48 AM
376	Not enough schools	4/18/2018 9:32 AM
377	Too many houses on smaller lots.	4/18/2018 8:06 AM
378	Too many	4/17/2018 8:59 PM
379	Traffic on inadequate roads, school populations soaring.Services to public being increased with appropriate increases in costs (taxes).	4/17/2018 6:55 PM
380	My concerns are less with types of subdivisions but the quantity of subdivisions. Providence Rd is a mess in during the morning commute. Adding more families would only make matters worse.	4/17/2018 3:40 PM
381	Poor quality of construction; small lots with few trees	4/17/2018 2:02 PM
382	Too many	4/17/2018 11:27 AM
383	crowded schools, more traffic, and do not want vinyl siding houses	4/17/2018 11:11 AM

## Weddington Resident Survey

384	Entrances and traffic concerns	4/17/2018 10:56 AM
385	too many being allowed with no thought to traffic. roads are already beyond design. most of the roads presently in use existed prior to 1900 with 2018 traffic on them. very short sighted on the part of town planners and county officials.	4/17/2018 10:45 AM
386	Building houses too close together is one main concern. I honestly can't stand vinyl siding which seems to find its way into all but the nicest developments. I also hate to see the last of our pastoral farms disappearing. Steep price for progress, I think.	4/17/2018 10:43 AM
387	The roads are not growing with the subdivisions! Traffic is horrible	4/17/2018 9:55 AM
388	Too many subdivisions all coming in at one time. Roads are too tight and not adequate for growth. The construction is tearing up the roads immensely!	4/17/2018 8:07 AM
389	Traffic and impacts on schools	4/16/2018 3:36 PM
390	Would like variety in builders home styles	4/16/2018 3:17 PM
391	Toll on roads and intersections that are already backed up and dangerous	4/16/2018 1:55 PM
392	I would like to see the builders improve the roads as they bring in these big, heavy equipment our roads and sides of narrow roads are becoming dangerous	4/16/2018 12:59 PM
393	The problem with conservation districts is that it's never usable space. It's wet lands not parks in the neighborhood. Is Union county requiring developers to pay for new roads? To widen current roads?	4/16/2018 10:45 AM
394	With more subdivisions, we need to evaluate infrastructure!!!	4/15/2018 8:47 PM
395	Increased traffic and limited thoroughfares	4/15/2018 6:04 PM
396	I'm not sure I understand the question. Subdivisions tend to have pools and clubhouses, which is not part of what I'd like to see in Weddington going forward.	4/15/2018 4:58 PM
397	Tract home builders building homes so similar in the same neighborhood. Character is lost. We have a lot of new ones being developed now. I am concerned about traffic issues.	4/15/2018 8:59 AM
398	Additional congestion, overcrowding of schools, loss of the "country" look and feel in the area.	4/15/2018 7:42 AM
399	None	4/14/2018 4:27 PM
400	I wish conventional subdivisions required 2 acre lots minimum.	4/13/2018 8:34 PM
401	The developers are cutting down too many trees causing Weddington to lose that rural charm. Storm water run off isn't being properly addressed. No infrastructure growth/ support.	4/13/2018 7:57 PM
402	No related plan for managing transportation volume resulting from development	4/13/2018 6:08 PM
403	Too dense.	4/13/2018 5:53 PM
404	parking space is too limited/small	4/13/2018 4:44 PM
405	There are way too many being built.	4/13/2018 3:07 PM
406	Mixed use is best, but doing it well is very difficult. We don't want another area like Waverly.	4/13/2018 12:29 PM
407	Traffic!!!	4/13/2018 11:42 AM
408	Traffic, current roads do not support, sewer systems, overloaded school systems.	4/13/2018 11:19 AM
409	We do not offer currently affordable housing for police, and teachers and service providers, we should consider that for the people who serve our community	4/13/2018 7:56 AM
410	Overcrowding our schools cause big need go redistribute sending our neighbors to less desirable schools	4/13/2018 6:38 AM
411	need sidewalks	4/13/2018 6:21 AM
412	lack of ascetics	4/13/2018 5:43 AM
413	Lot sizes in conservation districts are not in keeping with the typical Weddington home...40K/ sqft lots, and lots of space between homes.	4/12/2018 8:10 PM
414	Growth is too fast for the current infrastructure and school system	4/12/2018 2:45 PM

## Weddington Resident Survey

415	Both conventional and conservation subdivisions are becoming increasingly passe' as the population shifts its desires more holistic communities where you do not have to drive everywhere for everything. Market research shows increasing demand for walkable highly-amenitized communities - especially with aging boomers and millennials starting families.	4/12/2018 12:29 PM
416	Too many houses in one area. Look like every other town around.	4/12/2018 7:59 AM
417	Then being too close to the main roads like 84. The construction would be hard to balance.	4/11/2018 10:19 PM
418	Over crowding, poor road/transportation planning (2 lane country roads), traffic congestion, population density, etc.	4/11/2018 10:00 PM
419	More subdivisions means more traffic and congestion. Has anyone given consideration to the poor conditions of our roadways?	4/11/2018 8:53 PM
420	They are outpacing our ability to provide resources such as sewer, water etc. I believe we should maintain lot sizes and accept higher property taxes to distinguish us from Meck county and other surrounding areas. We have abundant natural resources and beauty in Weddington and it could easily be squandered.	4/11/2018 6:29 PM
421	Roads not able to support additional traffic	4/11/2018 4:20 PM
422	Would prefer to keep Weddington as a much-higher-than-average median home price.	4/11/2018 3:26 PM
423	Water and sewer use since long time residents are still using individual wells and septic systems.	4/11/2018 11:48 AM
424	water run off, traffic	4/11/2018 11:10 AM
425	too high volume. large builders come in and build cheap homes. takes infrastructure too long to catch up to the growth causing congestion.	4/11/2018 9:10 AM
426	The smaller lots & houses make Weddington a cheap town more than upper class.	4/11/2018 8:33 AM
427	To close and to regeulated	4/11/2018 8:04 AM
428	The conservation subs are making Weddington look like every other town around. The larger lots and rural look are what kept Weddington unique - the compact, house on top of house of these conservation neighborhoods are making the town look (and drive and feel) like South Charlotte	4/11/2018 7:51 AM
429	Roads can't handle the increase in traffic	4/11/2018 5:16 AM
430	All subdivisions should have a 1 acre 1 house rule	4/11/2018 5:11 AM
431	Too many for our infrastructure to support	4/10/2018 10:23 PM
432	Too small of lots not enough green space, conservation area saved	4/10/2018 10:13 PM
433	Small lots and houses on top of each other.	4/10/2018 10:10 PM
434	Traffic congestion ingress and egress from single points. Don't want small lots with high density housing	4/10/2018 10:08 PM
435	Update/upgrade the roads first	4/10/2018 9:51 PM
436	Clear cutting of land and cookie cutter neighborhoods.	4/10/2018 9:47 PM
437	Traffic, cheap looking cookie cutter homes, loss of rural small town feel of Weddington	4/10/2018 9:46 PM
438	Too many subdivisions continue to flourish without the proper infrastructure to support the local growth.	4/10/2018 9:43 PM
439	Increase in traffic. Increased crime. Less open green space and more pollution.	4/10/2018 9:38 PM
440	1 + acre lots	4/10/2018 9:25 PM
441	Overcrowding in schools, traffic	4/10/2018 9:16 PM
442	The traffic and schools that will be impacted by overcrowding	4/10/2018 9:14 PM
443	Too many of them and no sidewalks on main streets creating these separated pockets of housing and no feeling of community	4/10/2018 9:12 PM
444	Property values, lower income residents, too much added traffic. Upgrade roads before you start adding subdivisions.	4/10/2018 9:10 PM
445	Poor placement of entrances on curves or difficult to see areas	4/10/2018 9:10 PM

## Weddington Resident Survey

446	Weddington was created to be over one acre. Not many, many homes on little land. Weddington was desirable because of its beauty.	4/10/2018 9:09 PM
447	Brings more traffic than we can already handle. Already too much school redistricting.	4/10/2018 9:02 PM
448	road conditions not being maintained from increased traffic from builders and residents. intersections not upgraded for increased road traffic(traffic circles or stop lights)	4/10/2018 8:44 PM
449	NO cookie cutter. KEEP trees. STOP clear cutting land for houses stacked on top of each other.	4/10/2018 7:54 PM
450	Lower values and crowded lot lines	4/10/2018 7:32 PM
451	The road structure and school capacity supporting more growth.	4/10/2018 6:42 PM

453	growing too fast (number of new subdivisions)	4/10/2018 5:18 PM
454	Don't want smaller lot sizes. Too many residence will over crowd schools.	4/10/2018 4:19 PM
455	There are too many being built for the current infrastructure.	4/10/2018 2:40 PM
456	too many units, too dense, want to maintain Weddington peacefulness	4/10/2018 2:39 PM
457	Traffic, low priced homes	4/10/2018 1:43 PM
458	Traffic	4/10/2018 1:34 PM
459	Small lot sizes. Clear cut lots. Not enough common space.	4/10/2018 1:28 PM
460	There are too many going up too close to each other. The school overcrowding is going to be horrible!	4/10/2018 1:14 PM
461	Too many, too many houses crammed in. Creating more traffic on already poorly designed roads.	4/10/2018 1:01 PM
462	HOAs are out of control. In my experience, when homes are crammed together in a line, there is more dissatisfaction amongst the owners. "Oh, I can see their trash can." "That dog is barking at my cat." Pool noises, parked cars on street blocking driveways, etc. We moved out here to get away from all of that mess.	4/10/2018 12:35 PM
463	Keep the 1 acre per family rule. No High Density & Mixed Use Developments.	4/10/2018 12:16 PM
464	Cheap builders	4/10/2018 12:13 PM
465	roads cannot handle the additional traffic	4/10/2018 11:55 AM
466	way too many are being built and they are outlandish in size too much traffic and roads cannot handle the increase roads and infrastructure not keeping pace with extensive building	4/10/2018 11:51 AM
467	Looking like high density housing	4/10/2018 11:46 AM
468	Too many homes. Smaller communities would be better.	4/10/2018 11:35 AM
469	There's too many	4/10/2018 11:33 AM
470	Property values drop	4/10/2018 11:19 AM
471	Roads need to keep pace with the growth. No new subdivisions should be put in unless the roads are enhanced to handle the increased traffic.	4/10/2018 10:49 AM
472	Subdivisions are growing like wildflowers, but roads are highly inadequate (and in ill repair) to safely handle the additional traffic.	4/10/2018 10:09 AM
473	New subdivisions are promoting over-growth and congestion. People moving into Weddington from out of state are bringing undesirable attitudes and behavior.	4/10/2018 9:59 AM
474	That we do not have the roads to support the subdivisions. They are too narrow and not well maintained.	4/10/2018 8:43 AM
475	Current construction is geared toward move-up buyer need more options for middle class	4/10/2018 8:15 AM

477	Control growth	4/10/2018 12:52 AM
478	I like private large lots,	4/10/2018 12:04 AM

## Weddington Resident Survey

480	To many homes built on less than an acre, trees being taken down, and infrastructure and schools not keeping up with the pace.	4/9/2018 10:57 PM
481	Setback from thoroughfares to protect the viewshed needs to be maintained. Minimum RCD lot size is too small for the size houses being built on them. The houses are too close together and aren't set back enough from the street.	4/9/2018 10:29 PM
482	Road infrastructure is not sufficient	4/9/2018 10:20 PM
483	Weddington did not use the developers to improve roads or build parks	4/9/2018 10:01 PM
484	Lack of sewer and water	4/9/2018 9:52 PM
485	Amount of children being added to school	4/9/2018 9:42 PM
486	The roads do not support the growth. No more growth without infrastructure.	4/9/2018 9:40 PM
487	That the main roads can support the additional traffic. That our schools are prepared for the influx	4/9/2018 9:25 PM
488	That the lot sizes are below 1 acre and not enough conservation spaces	4/9/2018 9:20 PM
489	too many homes. overcrowded, losing charm	4/9/2018 9:00 PM
490	Too many Conservation subdivisions are being approved recently.	4/9/2018 8:53 PM
491	Densely packed houses, all identical or nearly identical.	4/9/2018 8:39 PM
492	The roads are not wide enough/not enough traffic lights to support new subdivisions and many of the day costing ones.	4/9/2018 8:36 PM
493	Traffic/accidents/more dogs	4/9/2018 8:30 PM
494	Weddington was known for its large lots, now it seems as though we have succumbed to the developers.	4/9/2018 8:25 PM
495	Tree removal. I think trees should preserved instead of clear cutting.	4/9/2018 8:13 PM
496	I absolutely do not like it when new neighborhoods clear all of the gorgeous natural trees. Leave the trees up.	4/9/2018 7:52 PM
497	Too much increase in traffic.	4/9/2018 7:48 PM
498	Impact on traffic, services, and schools.	4/9/2018 7:37 PM
499	Too many subdivisions, too crowded— case in point, Waverly. Love the restaurants, hate the crowded houses, hotels and buildings. Yuck	4/9/2018 7:27 PM
500	Roads do not support subdivisions we have now... slow development	4/9/2018 7:12 PM
501	Traffic. Need developers to widen and replace roads.	4/9/2018 7:04 PM
502	Too many without roads to support the growth	4/9/2018 7:03 PM
503	Too many and not enough road, access, school planning.	4/9/2018 6:56 PM
504	Too many!! The town of Weddington is losing its rural feel with housing developments coming up on every corner.	4/9/2018 6:51 PM
505	big homes on small lots, additional cars on roads that are already crumbling.	4/9/2018 6:50 PM
506	patio home is typically a single story dwelling unit - with possible 2nd level. A townhouse can be 3+ stories. They should be differentiated	4/9/2018 6:13 PM

508	Larger lots, not postage stamp Mc-Mansions.	4/9/2018 5:09 PM

## Weddington Resident Survey

514	Growth is going to happen in Weddington & western Union Ct. No stopping it. Best thing to do is work constructively/productively with developers.	4/9/2018 2:00 PM
515	We are allowing too many new subdivisions to be build without the needed infrastructure to support the added traffic. Must work with Matthews and CharMeck for better planning (case in point Tilley Morris Rd, Matthews/Weddington Rd).	4/9/2018 1:08 PM
516	Contributions to traffic, schools and infrastructure.	4/9/2018 12:27 PM
517	Too much growth too quickly. We're turning into Waxhaw.	4/9/2018 11:51 AM
518	there are already more people than current schools can support so I do not like seeing more subdivisions being built. Also, builders tend to come and clear all the land (conservation and conventional styles) which leaves no shade or aged landscaping when a subdivision is completed. I do not like subdivisions where all the homes are so similar to each other and cheaply made.	4/9/2018 11:33 AM
519	That too many today are not 1 acre lots that remain as natural as possible. Conservation of wooded lots is better for environment.	4/9/2018 11:28 AM
520	1. Tendency toward homogeneous housing stock. (i.e. every 4th house is the same) 2. Greater density within the neighborhood. 3. Less room for vegetation; reduced privacy.	4/9/2018 9:52 AM
521	Weddington should remain R40 for homes with minimum setbacks of 50' or greater from the road. Smaller setbacks start the trend of increased density and conflict with the small town rural charm of Weddington.	4/9/2018 9:46 AM
522	Too many houses with no retail nearby.	4/9/2018 9:43 AM
523	Water, sewage, roads, increase of traffic, over crowding at schools draining of natural resources killing the attraction to move here in the first place.	4/9/2018 9:38 AM
524	They should have turning lanes in/out to improve traffic. ideally shouldn't be 'bulldozed neighborhoods.	4/9/2018 9:31 AM
525	cutting down too many trees - lot sizes are getting too small, prefer the traditional 1 acre min. lots	4/9/2018 9:20 AM
526	Streets should be wider	4/9/2018 9:07 AM
527	Cheap, small close together houses. Doesn't fit Weddingtons wide open country look, that appeals to everyone.	4/9/2018 8:52 AM
528	Narrow roads. Too many homes, overcrowding and not good for why we moved to Weddington. And too much speeding traffic on our roads.	4/9/2018 8:50 AM
529	Too many	4/9/2018 8:20 AM
530	Increased pressure on already clogged roads. Increased pressure on local schools. Ideally there should be a focus on improving the infrastructure and local amenities before expanding further housing developments.	4/9/2018 7:45 AM
531	Sewage disposal. Storing one's sewage wastewater on-site permanently contaminates soil and groundwater. Sewage treatment should be required.	4/9/2018 7:18 AM
532	Seems like the developers are trying to use this conservation lot selling technique more and more. It means bigger profits for developers but at a cost to the uniqueness of the brand of Weddington. Buyers are wondering why drive all the way out to Weddington to live on a postage size lot. The entire selling point of Weddington is big lots otherwise affluent buyers will choose to live closer in Dilworth or Myers Park.	4/8/2018 11:15 PM
533	We do not have the infrastructure to support such fast growth. Our roads are deteriorating and traffic is becoming agonizing. We rely on clean underground aquifers for our water supply, which are now being stressed and sewage systems would destroy the natural beauty of this "park like" area, and threaten contamination of those same water reserves.	4/8/2018 9:55 PM
534	they should be required to pay for school expansions, figure out where to pipe their sewer without impacting long-standing residential lots	4/8/2018 9:12 PM
535	Too damn many being built. Restrain new development to allow infra structures to catch up. past and present developements have destroyed our roads and created traffic pressures.	4/8/2018 8:37 PM
536	No conservation (eventually squeezing in more homes in open spaces), poor infrastructure (roads can't sustain growth and causes backups and traffic jams -- like Providence is for Waxhaw)	4/8/2018 8:10 PM
537	Too many.	4/8/2018 6:55 PM

## Weddington Resident Survey

538	Do not trust that the land supposedly set aside in the conservation type subdivision will actually always stay set aside.	4/8/2018 6:53 PM
539	They are going up faster than what our roads and sewer capacities can handle! I resent the proposed sewer line (and all that goes along with it) going through my yard to benefit everyone else while i remain on septic system.	4/8/2018 6:12 PM
540	The subdivisions are being built too quickly and left empty such as The Woods. What will be happening with the empty subdivisions.	4/8/2018 5:43 PM
541	More people on our already overburdened roads. Intersections need to be upgraded to handle traffic that already exists before adding to the problem.	4/8/2018 5:12 PM
542	It's a lot of growth for the schools at this time.	4/8/2018 3:48 PM

549	It would be nice to have more connectivity between the community- the ability to walk, or ride a bike and gather to enjoy community.	4/8/2018 1:10 PM
550	Homes are too close together, very restrictive HOAs (approval to plant a tree or put a birdhouse on a pole in your backyard), no walks to connect the neighborhoods and to local retailers (more walking, less driving), no green space for residents with lakes\ponds.	4/8/2018 1:03 PM

## Weddington Resident Survey

570	Too many!!!!	4/7/2018 11:08 PM
571	The roads and especially, intersections, are not keeping pace with development. Resurfacing roadways is not enough. We need to fix intersections by adding r & L turn lanes!	4/7/2018 10:56 PM
572	Too many - STAY OUT OF WEDDINGTON!!!!!!	4/7/2018 10:30 PM
573	Too many. Need more infrastructure for the growth (ie. roads, schools, etc.)	4/7/2018 10:28 PM
574	Just keep it low density. Avoid multi family/townhomes/condos/apartments. Keep Weddington Weddington	4/7/2018 10:07 PM
575	Too many going in.	4/7/2018 10:01 PM
576	HOA restrictions	4/7/2018 9:40 PM
577	Quality and ethics of home builders.	4/7/2018 9:17 PM
578	You only provide services for new big builders while homeowners for over 20+ years receive no services. We are taxed with no services while Union County is allowed to take our beautiful settings to accommodate new homeowners, I.e. sewer pipes and vents,. We are on well, septic and LP gas; when do we get a utility service? With every new big subdivision you also threaten our neighborhood school district boundaries. Someone gets rich and our kids get shipped to a terrible school.	4/7/2018 9:06 PM
579	Old subdivisions 20 years or more subsidize new subdivisions. I've lived in my house 21 years. I have no water, sewer, sidewalks, gas, fire protection. I pay for new subdivisions getting water, sewer, gas, sidewalks, street lights. Got a letter today from Union County my house is being reassessed for tax value. My guess is it's not going down. I have to pay \$300 a months to continue living in my home for taxes. Retired. Fixed income.	4/7/2018 9:04 PM
580	I'm unsure if the current roads have the size and ability to support the current growth. It seems to take much longer for me to move through Weddington and Wesley Chapel in the last 5-7 years. I moved out here because it was less populated and had more woods, green space, etc. Now new subdivisions are being built all around my neighborhood, knocking down trees. I also have concerns regarding overcrowding at schools (class size, etc.) with all the new homes.	4/7/2018 8:39 PM
581	To many people on the roads and overcrowding in schools.	4/7/2018 7:46 PM
582	Too many! Schools overcrowding again!	4/7/2018 7:39 PM
583	The effect they have on schools becoming over crowded and how no planning is done in advance. Traffic is also another big concern.	4/7/2018 7:07 PM
584	Small lots anything under .65	4/7/2018 6:40 PM
585	Traffic, school over crowding and constant redistricting. Smaller inexpensive homes could introduce crime	4/7/2018 6:37 PM
586	Too many homes	4/7/2018 6:34 PM
587	Too many being built concurrently. We chose Weddington specifically due to the restrictions on lot sizes and how much green space was in the area. Do not like what is happening to the Waxhaw area.	4/7/2018 6:33 PM
588	Too much traffic as is- it is so difficult to make turns out on 84 and other roads in Weddington.	4/7/2018 6:32 PM
589	Too much population density	4/7/2018 5:53 PM
590	No concerns with conventional 1-acre lot subdivisions.	4/7/2018 5:40 PM

595	Lack of procedures by Subdivision HOA Boards	4/7/2018 3:19 PM
596	Too much traffic.	4/7/2018 3:11 PM
597	They are going up too fast and too many, we chose Weddington years ago because of the trees and farms	4/7/2018 2:40 PM

600	Small lot size	4/7/2018 2:16 PM
601	Losing the small town character and charm of Weddington. It seems like every farm or wooded area is being plowed down to build more homes with no regard to roads and school capacities	4/7/2018 2:07 PM
602	I moved to Weddington for the minimum 1 acre lot, so I thought. I don't support any add'l growth. The infrastructure does not support, nor is it improving (roads/turn lanes/schools:etc).	4/7/2018 1:53 PM
603	Every acre in Weddington does not have to be developed. Stop all development. Bigger is not better.	4/7/2018 1:26 PM
604	Crammed up subdivisions - too many in such a small space. Reach out and touch your neighbor is not inviting and it makes it a super small yard -unappealing	4/7/2018 1:26 PM
605	too many in our town too fast	4/7/2018 12:46 PM
606	To many houses not enough infrastructure to support...roads schools etc..	4/7/2018 12:39 PM
607	Overcrowding	4/7/2018 12:38 PM
608	New developments push existing residents out of Weddington school districts and in to sun valley schools. It's wrong.	4/7/2018 12:33 PM
609	Track homes are awful, they all look alike, they just mow the trees down and pop up the same thing over and over again	4/7/2018 12:28 PM
610	I hate seeing woodlands cut down to be replaced with subdivisions. It is taking away from the beauty of the area as well as displacing wildlife.	4/7/2018 12:09 PM
611	Making sure that the impact to traffic congestion is minimized through the use of turn lanes and improvement to affected intersections.	4/7/2018 11:57 AM

613	Stop the cookie cutter neighborhoods	4/7/2018 10:55 AM
614	12,000 sq. ft. is too small. It should be increased for Conservation district subdivisions to a larger size (14k-16k)	4/7/2018 10:53 AM
615	We have too much residential growth. Need to add street lights and water and sewer access to our older subdivisions that need it.	4/7/2018 10:42 AM
616	Connectivity should be require to illuminate requireing families to go to major thoroughfares to mover between neighborhood to see friends etc	4/7/2018 9:33 AM
617	They bring in an overpopulation issue for the area, increasing traffic which is a safety issue for our youth. It is not aesthetically pleasing for our area and defeats the purpose of why people move here in the first place.	4/7/2018 9:02 AM
618	there are way too many,Weddington has been ruined	4/7/2018 8:43 AM
619	They are adding more cars & students to a community without adequate roads and schools!!! You've GOT TO STOP ??	4/7/2018 8:22 AM

## Weddington Resident Survey

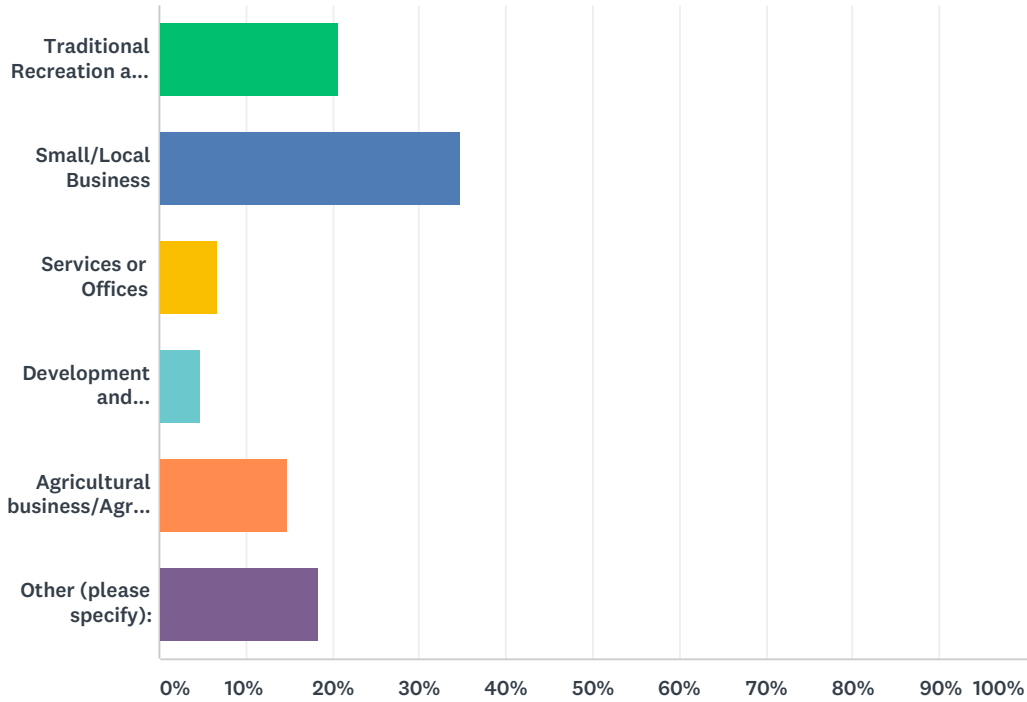

628	Too many trees are cut.	4/6/2018 7:16 PM
629	Too many subdivisions are being approved for development. Our schools and utilities (water/sewer) are NOT able to keep up. SLOW IT DOWN. We moved to Weddington for the amazing schools, the wide open spaces, the quiet nature of this town. It's now becoming overpopulated, causing the schools to suffer. SLOW IT DOWN. NO MORE NEW SUBDIVISIONS.	4/6/2018 5:52 PM
630	Overdevelopment with no attempt for infrastructure to catch up.	4/6/2018 5:44 PM
631	Not well planned. Like Atherton....looks terrible with no underground drainage, no sidewalks. Weddington should have communities not mass builders coming in charging a fortune to profit off of poorly made homes and poorly developed communities.	4/6/2018 5:27 PM

641	The infrastructure.	4/6/2018 2:11 PM
642	That the houses are lower quality in newer subdivisions. They won't hold up well. There also seems to be much more closer homes now with a conservation area that is undesirable or unbuildable. That makes the neighborhoods look cheap.	4/6/2018 1:45 PM
643	1) Increased traffic, 2) Over crowded schools, 3) Increases in property taxes to pay for new schools, road improvements and fire service.	4/6/2018 1:30 PM
644	Too many	4/6/2018 1:22 PM
645	Weddington has allowed too many large neighborhoods to be built. DOT can't keep up and the infrastructure is horrible. The current roads worked when Weddington was all farmland not one huge neighborhood after another. UCPS just redistricted again after 3 years and will continue to if the towns don't slow down on accepting additional neighborhoods. Weddington, DOT, and UCPS must be a team and not blame each for the mess we are in. All contributed starting mainly with the towns.	4/6/2018 12:58 PM
646	Too many of them. Stop development.	4/6/2018 12:54 PM
647	R-CD needs to be eliminated or at least conventional subdivisions required for each R-CD done!	4/6/2018 12:46 PM

653	Too many and lots are not large enough which changes the character of Weddington.	4/6/2018 11:29 AM
654	Please, retain trees and greenery. I like wooded lots. I'd be concerned that too many trees would be cut down.	4/6/2018 11:27 AM
655	We are getting too large. The roads/schools can't support. We should NOT allow anymore residential development.	4/6/2018 11:21 AM

## Weddington Resident Survey

656	I think Weddington has created tremendous esoteric and investment value the way it's developed. This will become more apparent as we have already seen with the paving over of both sides of Providence just across the county line.	4/6/2018 11:17 AM
657	no services without driving all the way to Charlotte	4/6/2018 11:16 AM
658	They need to pay their way. Infrastructure, school support. \$10,000 per home to county and town to pay for traffic needs, safety, etc	4/6/2018 11:07 AM
659	Traffic patterns & turn lanes need to be address when new subdivisions are built. Not just the area around the subdivision but the traffic pattern coming to and from the area.	4/6/2018 11:04 AM
660	Traffic and inadequate infrastructure. Our existing streets are a mess and we should see to them before building more.	4/6/2018 10:57 AM
661	Weddington has strayed from the rural, small town, county feel that brought me here in the first place. I feel that Weddington has lost that appeal and growing extremely too much and too fast.	4/6/2018 10:52 AM
662	lack of connections	4/6/2018 10:50 AM
663	keep what we have: 1 acre lots	4/6/2018 10:46 AM
664	Do NOT let them split a sub development between roads; Make the open space visible form the road - NOT at the back of a development (what good does that do); Make the homes farther apart - we don't want them to look like Hunter Oaks.	4/6/2018 10:37 AM
665	Subdivisions from the major builders, often devalues other real estate in Weddington. You can easily find the same model home from Ryan homes for example for 850K in Marvin, 600K in Weddington and 500K in Indian Trail. Additionally subdivisions create a quick influx of volume to the area vs individual plat development. The goal of the developer is to develop and dump the houses on the market. Many existing homes in Weddington are from the 90's, if we wanted to sell, it'd be hard with all the different new development options going up at once as competition.	4/6/2018 10:30 AM

44	None of the above address what Weddington is lacking. Currently most people go to Waxhaw or Waverly for an evening out. Look to the village/business concept of Waverly or the new development of Rea Farms. I AM NOT suggesting that we should repeat their model but rather learn from it. A smaller, more intimate setting would serve as an attraction for upscale businesses. Center this around a park with water features and you will create "an escape" venue from the others.	5/7/2018 6:12 PM

64	Why is further economic development needed???????	5/5/2018 7:03 PM
65	why does Weddington need economic development? I like it being a "bedroom community" We have plenty of the rest very nearby in Stallings, Indian Trail, Waxhaw, Marvin, Charlotte (including Waverly) and Matthews	5/5/2018 6:17 PM
66	Why is it a given that our town needs economic development? We are self-sufficient and do not require many services. Economic development is causing most of our issues. I would be OK with farms being used for tourism and some restaurants.	5/5/2018 6:07 PM
67	better roads and green spaces/parks	5/5/2018 5:50 PM
68	I don't feel that the council is really thinking of the future outcome of their current decisions. They seem to be letting the old Anderson syndrome take president. Just let anything sneak in.	5/5/2018 5:19 PM
69	Love to see bike trails or paths in the Town of Weddington.	5/5/2018 4:39 PM
70	Why should a former small community, now crossroads community need to be involved in any economic development?	5/5/2018 4:25 PM
71	Parks and recreation should be the primary focus today. Once the land is used up, it cannot be revisited.	5/5/2018 3:04 PM
72	We really do not need more business. There is enough that surrounds us.	5/4/2018 9:22 AM
73	Any desired stores are within a few minutes' drive from anywhere in Weddington. We do not need commercial development of any sort. The attraction of the town is that it is the one area with space, green, animals, rural in feeling if not reality.	5/1/2018 1:24 PM

There are already \$\$ millions being spent by Charlotte, Mecklenburg County, Union County, various Chambers of Commerce, office developers, etc. Weddington spending more would be completely wasted. Q12 Are there types of business you would like to see in Weddington?

Answered: 681 Skipped: 313

#	RESPONSES	DATE
1	No we already have to much business development.	5/21/2018 7:13 AM
2	no other then possible medical; Wesley Chapel is close enough	5/20/2018 10:15 PM
3	no	5/20/2018 1:04 PM
4	None other than what exist.	5/20/2018 9:10 AM
5	variety	5/20/2018 8:35 AM
6	No more development. Waverly is already destroying the allure of Weddington	5/20/2018 7:20 AM
7	Sit down Restaurants that serve alcohol and are more upscale. Free standing Starbucks, Dunkin Doughnuts, Brueggers Bagels, places for young famikies to get ice cream and sit in a community type of area, (like a blakney where fountains are) A place where people can walk around bear shops. .	5/18/2018 11:44 PM
8	no	5/18/2018 9:47 PM
9	small business	5/18/2018 7:11 PM
10	Small restaurants	5/18/2018 4:21 PM
11	No. Most big box stores are within a reasonable distance to the town and would not benefit the town to have them added. The only service would be a minor emergency center, however, the one that opened in Waverly suits that.	5/18/2018 2:58 PM
12	NO	5/18/2018 2:31 PM
13	None too many	5/18/2018 2:20 PM
14	NO	5/18/2018 12:45 PM
15	We have enough if you would quit adding more housing. Otherwise we will need more everything - roads, schools, services - and our quality of life will suffer along with the added traffic and burdens on our current system. Weddington is great as it is and this path will turn it into Ballantyne which none of us want.	5/18/2018 11:26 AM
16	Small General Merchandise	5/18/2018 9:28 AM
17	Nice restaurants nail	5/18/2018 5:48 AM

21	No more than there already is.	5/17/2018 9:40 PM
22	Support and allow Publix to build, Harris Teeter has a monopoly and they price gouge.	5/17/2018 9:12 PM
23	local artists	5/17/2018 9:07 PM
24	Shopping mall	5/17/2018 8:43 PM
25	Pretty much everything is relatively convenient from here...I'm happy with the level of commercial services	5/17/2018 8:43 PM
26	No	5/17/2018 8:40 PM
27	Where would you even put a business in Weddington?	5/17/2018 7:49 PM
28	No	5/17/2018 6:59 PM
29	Farmer's Market that makes a name for itself in the entire Charlotte area. There is enough money in the area that families would spend on this and support local agriculture and crafts.	5/17/2018 6:17 PM

36	I would prefer no new businesses in Weddington. The absence of businesses in Weddington is what makes it especially desirable and keeps our property values high. It also keeps our taxes low.	5/17/2018 3:21 PM
37	None, however churches are certainly welcome.	5/17/2018 3:20 PM
38	Small hardware store so I can avoid the traffic going to Home Depot and Lowes.	5/17/2018 2:53 PM

45	We are so conveniently located, why do we need more businesses? I don't mind driving to Wesley Chapel or Waverly. If we build large retail and the economy goes bust, we run the risk of lot of empty retail spaced. I'd rather have neighborhoods.	5/17/2018 1:27 PM
46	General merchandise, hardware, feed store, nursery, book store, restaurants, specialty stores, stationery, etc.	5/17/2018 1:22 PM

51	I feel like we have it all already! Sit down restaurants are nice, and I'd like more options in this category BUT do not want to sacrifice less-funds being directed at roadway improvement!	5/17/2018 12:28 PM
52	Trader Joe's, JoAnns, urgent care practice.	5/17/2018 12:25 PM
53	No more than what we already have	5/17/2018 12:24 PM
54	prefer to keep the city residential. A library would be nice	5/17/2018 12:14 PM
55	Alternative to Harris Teeter for food shopping! Sit down restaurant.Star Bucks or coffee house with personality,music ,poetry readings etc. Healthy Food Dining. Stores like The Cubbyhole in Ballantyne.	5/17/2018 12:12 PM

14	Should have added bike lanes	5/17/2018 5:02 PM
15	Riding a bike between I-485 and Audrey Kell Rd is ill advised and the bike lane across I-485 is meaningless as bicyclists will mostly avoid the Waverly Area. Riding from Audrey Kell to Rea roads is acceptable but not optimum given the excessive speeds along Providence Road.	5/17/2018 3:04 PM

89	Our road Ambassador Ct., located in Providence Place 2 was not paved when all surrounding roads were repaved, we have asked the town to resolve this issue and there have been no positive results at this time	5/6/2018 2:37 PM
90	We need bike lanes, shoulders, turn lanes, alternatives to Providence in getting on 485. Make another route please! Waverly has created a mess, back log and it's only getting worse with more construction of shops, housing. My commute is terrible just getting to the highway.	5/6/2018 2:22 PM
91	See issues below	5/6/2018 1:29 PM
92	traffic is horrible! stop giving permits to build!!!	5/6/2018 12:54 PM
93	Road improvements are fine. Sidewalks almost a waste of money-hardly anyone uses them	5/6/2018 10:21 AM
94	No! Too little too late. There has been very poor planning for growth of Mecklenburg and Union County. Too late for mass transportation corridors and bike lanes.	5/6/2018 10:15 AM
95	Need multiple lanes	5/6/2018 9:08 AM
96	Still too much traffic because of housing over development	5/6/2018 8:49 AM
97	To some extent... but would have rather seen much wider sidewalks which act as bike paths and larger walking paths. I have seen this in other cities and it makes all the distance - take a big path all the way down Hemby / 84/ 12 mile / Antioch... and I will be happy.	5/6/2018 8:12 AM

105	No effort was made for bikes. How many people walk the sidewalk on NC16 from Rea Road to anywhere towards 1-485. If we had to estimate we would say less than 5% of the population in Weddington and that is being generous. What was the purpose of spending all that money on sidewalks that no one asked for? Or at least that you have not shown support in favor to make this huge costs.	5/5/2018 4:48 PM
106	Limited need for sidewalks in this area.	5/5/2018 4:25 PM

114	We need sidewalks on smaller roads besides Providence	4/26/2018 10:00 AM
115	I think the fact that for so long that we have focused on the Rea Rd extection while ignoring the to fast of growth in Waxhaw creating a Providence Road issue and planners refusing to re-evaluate from 30 year old plan that believed Wesley Chapel would grow faster then Waxhaw. Re-evaluate people. Those people were incorrect in there "guesses" , there is nothing wrong with that as long as we make adjustments year after year on incorrect estimations of growth.	4/25/2018 8:30 AM

186	I am not familiar with the area mentioned but Anitoch Church Road going to Falls At Weddington is a nightmare about to happen. The road needs widening before all of the homes are built and their all severe drop-offs on the side as the construction traffic cannot transverse such skinny roads. 15	None. Make dedicated turn lanes on Rte 84. Forget the Rae Rd connection to Rte 84. That idea is just making some of the larger neighborhoods restricted to left or right turns in or out of their neighborhoods! AN INSANE IDEA and just trading one hardship for another in the end!	5/17/2018 10:14 PM

20	FIX Deal/84 with light, FIX athletic fields and church entrance so police don't have to stand in the middle of the road. REDUCE the speed through Wesley Chapel to 35... because people rip through there at 45, as others are pulling out of the 3 commercial entrances.	5/17/2018 5:24 PM

27	Tea Road extended to 84	5/17/2018 2:53 PM
28	Wider roads to Help with sitting traffic, it's terrible	5/17/2018 2:35 PM

12	Poorly worded question. It is not an either / or answer. The answer is it depends AND you need both! Sidewalk for pedestrians and Bike Lanes along the roadways. Greenways can be wider paths to allow for multi-use.	5/7/2018 6:47 PM
13	Bikes only add those traffic problems on the narrow roads.	5/7/2018 5:23 PM

111	To and from the town center area to promote alternative transportation and toward Uptown to aid in non-vehicle transportation. I would also recommend interconnecting the parks and green spaces to allow for easier access. Several years ago, I lived in Amsterdam. Holland is a "bike friendly" country. A lot could be learn from how the Dutch smartly chose to design an entire walking and cycling network of paths and roads to safely support cyclist and pedestrians.... separately...for safety from each other and from motor vehicles. The dutch used marked bicycle lanes and controlled bike circles just like we do for cars. It was an entirely parallel transportation system and it was heavily used because the routes were laid out efficiently to get traffic in and out of towns to the city. Let's ask them... I am sure they would be more than glad to share their lessons learned.	5/7/2018 6:47 PM

295	Connect to matthews and waxhaw.	4/9/2018 1:40 PM

299	Along the newly widened Highway 84, from Providence Road to Wesley Chapel, with thoughtful design (some trees & gentle curves as opposed to vanilla sidewalk along a busy road), nice connection points at the Weddington school cluster, Optimist Park, Southbrook Church, Dogwood Park, and ending at Wesley Chapel. That could be Phase 1, with a north-south route as a future Phase 2.	4/9/2018 10:18 AM

304	Neighbourhoods with access to twelve mile creek road. This would give families the option to bike to and from school... thus increasing children's activity levels which would reduce obesity and attention deficit issues.	4/9/2018 8:01 AM
305	Good connections equal safety. Running and biking in neighborhoods is safe, but along busy roads it is dangerous. This makes it difficult to go on long runs or bike rides because of exposure to traffic along arterial roads.	4/9/2018 7:39 AM
306	Not sure	4/8/2018 11:35 PM
307	There are FAR too many people riding bicycles along the main roads, creating very dangerous conditions for both themselves and motor vehicles. Greenways would be nice, but safer paths around the town are MUCH needed.	4/8/2018 10:17 PM

49	I love the sign ordinance and would not want it to change. Just driving south on 16, there is such a difference when you hit Union/Weddington and then back out in Marvin/Waxhaw. I'd love to see lighting addressed because we are fans of astronomy and dark skies and would love to keep the area as dark as possible while still having safety concerns met. Downlighting in church/business parking lots for example. No car dealership lighting. (Most) lights out by a certain time, etc.	5/5/2018 6:26 PM
50	Lots of motorcycle and car revving of engines on Tilley Morris	5/5/2018 5:55 PM
51	More lighting is needed along the main roads	5/5/2018 5:55 PM

59	there are too many new subdivision signs, especially at The Falls	4/23/2018 3:45 PM
60	Allowing real estate/ political campaign signs on public property- is this a Weddington ordinance or County/ State wide?	4/23/2018 11:34 AM

63	We need street lighting along major roadways.	4/17/2018 7:08 PM
64	Honestly, the "weekend real estate sign people" have made me crazy for years. I get it ... it's important to economic development, etc. to sell houses. But man. It looks terrible to see a cluster of twenty signs all in one place. lcky.	4/17/2018 11:34 AM
65	Lighting could be improved. Roads are poor and with so many moving in they are a bit dangerous	4/17/2018 8:28 AM
66	I believe construction should not be allowed before 8am, if construction vehicles were kept off the road until after 9- traffic would be helped also, and not between 5-6pm	4/16/2018 1:18 PM
67	Some lights are too bright. Like the light at the Bethany Church on Beulah Church is too bright. Shines right in your face as you drive west.	4/13/2018 9:13 PM

92	Lighting is non-existent in my area. Noise is perfect at this point. I moved out of Meck to get away from Airplane traffic. Neighborhood kid's noise is to be expected but would love to require neighborhoods to have a mini park for the kids to gather rather than in cul-de-sacs.	4/8/2018 1:28 PM

## Weddington Resident Survey

54	I'm sorry, Wesley Chapel, as a volunteer fire department, is totally inadequate for the growing need of the region it serves. We need to look no further than the recent house fire in Wesley Chapel that took over 11 minutes for the first truck to arrive and another 8 min before the first water was sprayed. I have it all on tape as we watch the home become a blazing inferno inside of 10 minutes. By the time WCVFD arrived on scene they should have just brought marshmallow to roast. The house was already a total loss and only the insurance claim remained to be filed. Most of the volunteers were late arriving... arrived totally undressed (out of uniform) and did not have enough personnel on site to fight the fire without calling in additional locations. I hate to think that al that we have worked hard for and value will be gone in less than 10 minutes and that it will take longer than that for WCVFD to show up unprepared. It is time to get serious about average response time from the alarm to first water! We used to live in the rural suburbs of Maryland and lived 6 miles from the PAID fire department. Alarm to first water was less than 8 minutes. Onsite within 4 minutes. The key differences: Paid Fire Fighters staffed the stations, arrived dressed and ready to engage, superior training and none of them arrived in personal vehicles. The outcome was that they saved lives and protect homes better. And the next critical item is more strict building codes in the areas of fire safety and fire resistant construction materials and designs	5/7/2018 7:04 PM
55	Too much growth, too quickly is a concern . Fire department can't possibly keep up with this kind of development	5/7/2018 7:03 PM

17	Trying to convince the town council that we need to institute an open burning ordinance like Stallings and Indian Trail. Our community has developed to a point where there are too many residences too close together. Burning vegetation causes air pollution too, and people pay way too much money for their homes in this area to be forced indoors when some inconsiderate neighbor decides it's time to burn their branches.	5/9/2018 12:22 PM
18	Pot holes ignored. Should establish a telephone number people could call to report a pot hole or downed tree etc. County workers can not fix what they do not know is broken. If everyone helped everyone's life would be easier.	5/9/2018 9:12 AM

29	The town needs to deal with nuisance neighbors, there are several nuisance neighbors in my area and the town has not adequately addressed this problem. This issue has been given a low priority for many years and has been ignored when requested to resolve the issue. The specific problem is home owners allowing their home to fall into disrepair and also not maintaining their lawn & property in reasonable condition. There are two homes in Providence Place 2 development which are in this category.	5/6/2018 2:53 PM
30	Yes - I have left a vm once or twice over the course of years and never heard back from individuals in the office I have contacted.	5/6/2018 8:17 AM

36	Several years ago we attended what was to be a Town Hall Meeting. We sat there for about 30 minutes and watched as the Mayor and Council ate Pizza before we ask if we could ask a question. We quickly received a yes but we will not answer it. To say the least we were humiliated. We have not been back to a town council meeting since.	5/5/2018 5:47 PM
37	Needed further information and understanding of rules of common area in neighborhood and Town Planner was less than helpful. For someone not familiar with terms and wanting more information; what was given was a lot of frustration and quite frankly avoidance. Either they themselves were not understanding the Town Rules, or they did not want to get involved. Either way, not someone I'd like to be paying their salary too.	5/5/2018 4:54 PM
38	The town took weeks to get a new septic system permit to our next-door neighbors, whose system failed completely. It was unhealthy, the odor really bad. Poorly handled.	5/1/2018 1:46 PM

50	Weddington needs garbage and recycling service. We have five to eight trash and recycling companies on our roads every day destroying them. Most cities and towns provide this service. ## Weddington Resident Survey

180	.	5/5/2018 4:09 PM
181	An early spring event (Pollen April?) and an Autumn event would be very nice. Creative people always come up with good ideas.	5/5/2018 3:16 PM
182	Carnival/Festival, Farmers Market	5/5/2018 2:56 PM
183	Fall festival	5/4/2018 6:47 PM
184	Work with the high school...maybe homecoming parade with food trucks	5/4/2018 11:13 AM
185	More outdoor activities to support active lifestyles and outdoor activities.	5/4/2018 9:10 AM
186	Music, extend food trucks through Summer	5/3/2018 10:39 AM
187	A Fall festival would be nice. Possibly some type of Summer concerts on a very small and local scale like wax haw has in the summer.	5/2/2018 5:57 PM
188	Fourth of July Parade?	5/2/2018 5:07 PM
189	4th of July event, Halloween event	5/2/2018 3:17 PM
190	It's fine as it is. Enjoyable.	5/1/2018 1:47 PM
191	summer concert series	5/1/2018 9:53 AM
192	Local band and concerts on Friday and Saturday nights	4/30/2018 10:41 PM
193	Outdoor movies, more food truck Friday's	4/29/2018 9:16 PM
194	Small bands like Promenade has	4/28/2018 7:38 PM
195	If we had bike trails we could sponsor charity rides and other events using the trails. If the Weddington Corners business area were more planned and connected, there could be a town yard sale, sidewalk sales for small business located in that center...but this would need a master plan to make Weddington Corners look like our "downtown"...the buildings would need a facelift to make it more of a village feel. It looks very hap hazard right now. Make it a walkable destination and not a total drive in and out like it is now. We are unique so let's use that and capitalize on it. Do not make us look like everything else that is encroaching around us. Use our current space at Weddington Corners to make it a real town center. Add a wine shop or small brew pub and ice cream shop...draw people in. We should have a low key center of town that attracts people to come and hang out but without having the craziness of Waverly.	4/28/2018 1:33 PM
196	None	4/28/2018 12:56 PM
197	One for every season - and well publicized and tied to other Weddington things - like getting to know the Town leadership - maybe brief talks on key priorities.	4/28/2018 10:23 AM
198	I attend, enjoy, and appreciate these events. Really anything focused around quality food and/or outdoor family recreation. Maybe a parade with community involvement (for example some towns have 4th of July parades where with bike decorating contests for kids that ride in the parade), outdoor music events, running or biking races, etc.	4/26/2018 4:05 PM
199	I would like to see sidewalks on Weddington-Matthews Road so we can walk to Food Truck Fridays.	4/26/2018 10:04 AM
200	Movie on the lawn	4/25/2018 9:58 AM
201	I think our town like other town should have a employee that is charge of town activities that should be way more activities which is hard to accomplish without the space to do it. But needed to be a community that people what to move to, to call home.	4/25/2018 9:00 AM

## Weddington Resident Survey

401	I am disappointed that Weddington stopped the Easter, fall, and country fair events. These were an important part in allowing our family to feel included in the town. We were not given any notification of these event terminations or any voice in this decision. We want them back.	4/6/2018 11:13 AM

41	Excellent. Town manager is the best. Insightful, helpful, easy to talk to, listens and is available! Mayor, Protium Mayor, Council are accessible, great listeners, conservative in their approach to problem solving. I feel they have a modest growth policy where less business/retail is more! We have enough commercial and retail surrounding us and we do not need more in Weddington. I must add, I am so very pleased with our current elected officials. It is wonderful to be listened and have people who are there to serve their constituents. Keep listening!!	5/14/2018 4:43 PM

#	NO (PLEASE EXPLAIN WHY):	DATE
1	if you are closer to the school but not if on bordering towns	5/20/2018 10:25 PM
2	Overpopulation is destroying values	5/20/2018 10:23 PM
3	The lack of response to the concerns of residents and development is abhorrent	5/18/2018 3:14 PM
4	Not if zoning changes are approved near my home	5/18/2018 11:38 AM
5	Too much development is allowed. New housing is too abundant and drives down the existing home values	5/17/2018 9:26 PM
6	It depends on the outcome of the sewer pipe that will be installed through our property.	5/17/2018 1:43 PM
7	Im concerned about maintaining the quality of life in our town and the traffic is taking that away. Im concerned with the DOTs plan of taking 1 home at the beginning of our entrance but not taking the same home across the street and making our entrance look bad. I think Weddington Town Hall should have the authority to help homeowners with planning the planning of this road. I think a lack of a meeting place or park hurts Weddington. There are no amenities for the residents of Weddington.	5/17/2018 12:46 PM
8	The more development crowds us in the more our taxes increase.	5/17/2018 10:28 AM
9	Concerned that additional development will include apartments.	5/16/2018 4:45 PM
10	Last home in Weddington was a large, custom built home in HighGate and it lost \$100,000 in a 3 year period. Keeping property values stable and increasing the amount of new construction will always be a delicate balancing act.	5/16/2018 3:26 PM
11	Too many new subdivisions driving property values down	5/16/2018 9:34 AM
12	I just had my home appraised and it was WAY lower than it should be for the amount of growth in the area	5/14/2018 8:04 PM
13	no to much development and Taxes to high	5/14/2018 5:09 PM
14	Long View Neighborhood skews the values of Weddington home values	5/14/2018 1:24 PM
15	Not so much with all of the new building	5/13/2018 6:29 PM

21	not sure.	5/10/2018 9:47 PM
22	I'm not sure.	5/10/2018 6:15 PM
23	It is uncertain given the growth being seen and discussions of future opportunities	5/10/2018 4:26 PM

27	The growth is a negative	5/8/2018 11:42 AM
28	I am concerned overcrowding of schools will decrease school ratings which will decrease my property value. I am also concerned too much development will cause congestion and reduce the area beauty making this a less desirable place to live.	5/8/2018 10:58 AM
29	Not if you permit the 12 mile sewer creek extension. There also seems to be too much development going on on small lots.	5/8/2018 8:32 AM
30	They go up every year.	5/7/2018 8:13 PM
31	Yes, Too stable as in flat... Would like to see gradual increase in value over time	5/7/2018 7:29 PM
32	More retail/commercial development jeopardizes values, Constant school rezoning threat every few years.	5/7/2018 5:48 PM
33	I'm retired don't want any new taxes. Seniors should get a tax break, especially school taxes.	5/7/2018 5:40 PM
34	Too restrictive in zonig issues	5/7/2018 2:00 PM
35	Took a big drop a few years ago	5/7/2018 11:55 AM
36	School rezoning changes make a large impact	5/7/2018 10:53 AM
37	Appraisals have declined 4 times in the past 3 years. It appears that appraisers are trying to protect themselves from overstating values and the town does not make it easy for them to compare properties that are more similar, leading to inappropriate comps.	5/7/2018 7:25 AM
38	I think that the appraised values are elevated to increase taxes. I don't believe my home would sell at the appraised value	5/6/2018 10:28 PM
39	Weddington used to be the most desirable place to live. We need to recapture that desirability. Marvin residents think they are better. I work in a very nice gift shop in Waxhaw and have been discreetly encouraging feedback, opinions etc. from customers. Sometime they voluntarily let me know their rude opinion as there are a lot of elitist residents in the area as a whole.	5/6/2018 10:17 PM
40	Too much new home construction	5/6/2018 7:35 PM
41	Not unless there is better city planning for growth and greenways	5/6/2018 7:15 PM
42	Not sure rapid growth but poor road infrastructure	5/6/2018 3:52 PM
43	the issue of nuisance neighbors is affecting my home value, my neighbor is a nuisance neighbor who does not maintain his home or grounds, which affects the neighborhood home values	5/6/2018 3:12 PM
44	New sewer in at 12 mile creek will have negative affect	5/6/2018 1:47 PM
45	my home is over assessed..	5/6/2018 1:00 PM
46	Too much inconsistency in adjacent developments in certain places	5/6/2018 10:55 AM
47	redistricting is a problem here. one decision can knock a lot off your values	5/6/2018 8:59 AM
48	New developments threaten to push existing residents in to Sun Valley schools. Home values would drop like a brick.	5/5/2018 9:24 PM

49	don't know	5/5/2018 9:20 PM
50	Water tower decreased the value of properties around it, know the new poer line project affecting the same area. People do tell how awful these structures look.	5/5/2018 6:30 PM
51	With large housing growth; it is cheaper for people to buy new homes then to buy existing homes in a certain price point.	5/5/2018 5:04 PM
52	Changing school districts	5/5/2018 3:50 PM
53	I think the smaller lot size and higher densities that are being allowed will threaten our long term values.	5/4/2018 9:11 AM
54	You're forcing a sewer into backwoods, vs roads. Never I have heard of such a cost cutting scam. Ugly	5/2/2018 10:30 PM
55	Nearby development and uncertainty of future development.	5/2/2018 5:08 PM
56	The addition of sewer lines along 12-Mile Creek & others planned will have a very negative effect our property values. As will continued development & increased density. I don't feel the Town Board cares about keeping Weddington the green, quiet place it was meant to be when incorporated.	5/1/2018 1:49 PM
57	if you allow larger conservation subdivisions i think it will hurt our value and water down the reasons why people move here	5/1/2018 9:53 AM
58	Sewage project will bring prices down	4/29/2018 9:16 PM
59	Yes until recently we've been informed union county made a mistake and wants to correct it by running a sewer line through our neighborhoods.	4/28/2018 12:57 PM
60	We are threatened by Union County 12 Mile Creek Sewer Line	4/28/2018 10:23 AM
61	Not sure I can get what it is tax evaluated at.	4/25/2018 9:01 AM
62	Not knowing what the town does around a sub division puts the value of property at risk as does over building!	4/24/2018 8:04 PM
63	Unsure with what I think is over development	4/23/2018 11:43 AM
64	Stable?	4/22/2018 12:30 PM

#	RESPONSES	DATE
1	Too many yankees	5/21/2018 10:32 AM
2	Great community quiet and growing to quickly.	5/21/2018 7:25 AM
3	used to be farm town now turned suburban Charlotte	5/20/2018 10:25 PM
4	Better several years ago then now.	5/20/2018 10:23 PM
5	It has become no different than other surrounding communities. Explosion of growth in subdivisions which maximize space by putting more units in a given space which has caused a perception of overcrowding.	5/20/2018 9:44 AM
6	I love living in Weddington. My family was raised here and attended all three schools. We have been here for 14 years.	5/19/2018 12:10 AM
7	small home-town feel	5/18/2018 9:54 PM
8	Open spaces but no "center" to associate with. What is Weddington? A town or a collection of gated communities? What's the difference between Weddington and Wesley Chapel?	5/18/2018 8:20 PM
9	really good, but growing too fast	5/18/2018 7:21 PM
10	Bedroom Community	5/18/2018 5:56 PM
11	Beautiful	5/18/2018 4:46 PM
12	Great place to live and that is why we moved here 27 years ago along with several hundred others making Weddington what it is and why it is desirable - be careful not to allow over population like Charlotte - that is why we all moved to Weddington - too much development is not good and we that created this place so desirable made the vacant property so valuable - but not at the cost of our residents - slow down and think before allowing development - think roads - services and especially schools - do not need or should have trailers because of over population. Developers need to be kept in line - stop the mentality of "money speaks"	5/18/2018 3:51 PM
13	A town that does not have a clear identity and is not thoughtful about its future progress - decisions are being made without long term consideration on the effect	5/18/2018 3:14 PM
14	Too much growth and traffic	5/18/2018 3:07 PM
15	Very positive, but worry about unchecked growth and infrastructure. This includes schools	5/18/2018 3:04 PM
16	like it here	5/18/2018 12:52 PM
17	Weddington is a great community - the best of everything with adequate services while maintaining a rural feeling. I am concerned about the accelerated pace of growth that will change what makes Weddington such a great place.	5/18/2018 11:38 AM
18	Beautiful town. My family loves living here.	5/18/2018 11:12 AM
19	small town with good school system	5/18/2018 9:54 AM
20	good	5/18/2018 9:45 AM
21	small town that is growing without any guidance or plan	5/18/2018 8:03 AM
22	still a great place to live and raise a family!! I've lived here for 20 years.	5/18/2018 6:04 AM
23	Love living in Weddington. Would like to stay here when we downsize. But can't because of the on acre minimum. That's too much yard for senior citizens.	5/18/2018 6:00 AM
24	Beautiful place to live.	5/18/2018 12:53 AM
25	That Weddington was once a non-urban beautiful area to live in and it is losing the urban beauty that drew us here in the first place.	5/17/2018 11:24 PM

26	Nice quite town don't need any more open space community. It Take away what town of Weddington was created for 1 acre per house!!! Cause more crowing lot more traffic.	5/17/2018 10:23 PM
27	Glad to be here.	5/17/2018 10:03 PM
28	It's not bad.	5/17/2018 9:40 PM
29	Nice, quiet, safe community	5/17/2018 9:28 PM
30	It's average. Traffic is the worst part, too much development and not enough traffic improvements to support it.	5/17/2018 9:26 PM
31	nice small town with too much growth for the size town we are	5/17/2018 9:14 PM
32	It's a great place to raise children	5/17/2018 8:55 PM
33	Positive	5/17/2018 8:55 PM
34	It's a safe nice place to live that's quiet and i feel like I have my space at home- I don't miss the noise and density of Matthews at home. Also love the small town feeling - we cannot lose that and become yet another thing the creature of mecklenburg county aka Charlotte ran over - I like what Charlotte has to offer and don't mind driving to it but love coming home to quiet peaceful and safe Weddington	5/17/2018 8:38 PM
35	Quite community	5/17/2018 8:36 PM
36	Town commissioner give builders whatever they ask for. The secondary roads cant handle traffic and are in need of repair. Not just a bandaid but repair and paving.	5/17/2018 8:25 PM
37	Nice	5/17/2018 7:05 PM
38	A small town feel without over building--for now.	5/17/2018 6:50 PM
39	Love the small town feel close to the big city.	5/17/2018 6:45 PM
40	Love Weddington as it is!	5/17/2018 6:07 PM
41	Expensive residential community just over the border from south Charlotte. Excellent schools, laid back... accepting those fleeing from Char-Meck liberalism and ever changing schools.	5/17/2018 5:39 PM
42	Space, conservation, well kept, pride of town and property ownership	5/17/2018 5:22 PM
43	Great	5/17/2018 5:15 PM
44	Concerned about renewed rapid rate of development and impact on quality of life. Feels like things are moving too fast.	5/17/2018 5:09 PM
45	Nice town to live	5/17/2018 4:56 PM
46	I think it is s great place to live & start a family	5/17/2018 4:50 PM
47	We need to maintain our open spaces and have sidewalks. When all land is developed our town should look different than adjacent towns. We should look like the Myers Park of Union County. People will want to have a residence in Weddington, because it is different and very desirable.	5/17/2018 4:02 PM
48	Weddington is a special place. It has been maintained as a quiet, residential, non-commercial haven, and accordingly we enjoy high property values, a high quality of living, relatively low crime, good services, and low taxes	5/17/2018 3:46 PM
49	Growing too fast. Safe. Good school, but crowding with so much residential building	5/17/2018 3:36 PM
50	Could be a really great community with better quality of life considerations than Charlotte.	5/17/2018 3:17 PM
51	Wonderful	5/17/2018 3:03 PM
52	Small bedroom community that does not want to grow.	5/17/2018 3:01 PM
53	Nice	5/17/2018 2:42 PM
54	Great	5/17/2018 2:27 PM
55	.	5/17/2018 2:12 PM
56	Good place.	5/17/2018 2:01 PM

58	very good	5/17/2018 1:52 PM
59	Lovely small town away from city living but still close enough to enjoy city	5/17/2018 1:52 PM
60	Love but needs more of a small town downtown feel, similar to downtown Waxhaw and Matthews	5/17/2018 1:50 PM
61	It's a wonderful place to live. It feels safe and peaceful!	5/17/2018 1:44 PM
62	I like where we live, but frankly, I don't feel any sense of "town-ness" (community) in Weddington at all. If anything, I have more of an affinity with Wesley Chapel or Matthews.	5/17/2018 1:43 PM
63	Excellent	5/17/2018 1:18 PM
64	Great place to raise family	5/17/2018 1:11 PM
65	Quiet and controlling. Not much of a town presence/identity	5/17/2018 1:11 PM
66	Good and stable area	5/17/2018 1:10 PM
67	High-end residential community, still 'up and coming' as we grow; yet in need of change as it has recently outgrown road infrastructure.	5/17/2018 12:49 PM
68	I have lived here 19 years ,waited for a library and a park that never happened. If these road projects are not done correctly we could have problems. Weddington has alot of potential if planning done right.	5/17/2018 12:46 PM
69	That it's a wealthy area with snobby people ( sorry but this is what I constantly hear)	5/17/2018 12:34 PM
70	Good place to live	5/17/2018 12:32 PM
71	Love it here BUT, too many developments are changing the rural feel of this town.	5/17/2018 12:26 PM
72	Good	5/17/2018 12:03 PM
73	Nice place to live.	5/17/2018 11:44 AM
74	Great place to live	5/17/2018 11:10 AM
75	Best place to live	5/17/2018 11:02 AM
76	It has developed from a rural farm area to an overcrowded, over developed area with heavy traffic and heavy taxes.	5/17/2018 10:30 AM
77	Nice town without the troubles of neighboring towns. But bringing in dense housing, chain stores will bring all of these to Weddington as well. This is why we moved here and not other places	5/17/2018 10:21 AM
78	Glad Deter and Harrison are GONE!!!	5/17/2018 12:01 AM
79	Still nice.	5/16/2018 9:28 PM
80	Love that it is a small town (not commercialized) with everything you need close by.	5/16/2018 8:15 PM
81	A drive through place we need to make people stop and spend money for taxes	5/16/2018 7:42 PM
82	Peaceful town	5/16/2018 7:01 PM
83	Overpriced McMansions and entitled families with spoiled children	5/16/2018 6:06 PM
84	Growing has had a negative impact on roads to meet increased traffic demands.	5/16/2018 4:45 PM
85	Good	5/16/2018 3:36 PM
86	Great place to live, but it does not really have an identity due to no downtown or Main Street presence. I live in Weddington, but I shop and use recreation outside the township. I rarely spend any money inside the Town of Weddington so I know that we are not growing economically from business activities.	5/16/2018 3:26 PM
87	Very good	5/16/2018 2:36 PM
88	Very good	5/16/2018 12:25 PM
89	Great place to live, but getting more crowded	5/16/2018 9:34 AM
90	Great place to live and raise a family	5/16/2018 8:51 AM
91	Wonderful place....for now.	5/16/2018 7:45 AM
92	Nice place	5/15/2018 9:32 PM

101	Used to be something unique and special. Now headed to homogenized bedroom community	5/15/2018 9:41 AM
102	Good but growing too fast. Traffic will be crazy once all these lots are built on and I don't see much in the line of planning for roads and schools to accommodate the people moving in,	5/15/2018 8:05 AM
103	Good	5/15/2018 7:51 AM
104	I love Weddington but don't like the country feel being taken away with so much building everywhere you turn	5/14/2018 10:22 PM

149	Great place to live. Most of the recreational facilities are provided in each neighborhood for the residents, but I am fine with that (my neighborhood only has walking trails).	5/13/2018 4:03 PM
150	Lived here twenty years and still love it, but the traffic is getting bad.	5/13/2018 3:03 PM

152	Good	5/13/2018 9:55 AM
153	Run by people who want a small Atlanta. The Waverly growth, and other areas will make Weddington busier than Independence Blvd	5/13/2018 9:03 AM

160	Good place to live	5/12/2018 11:53 AM
161	Small Town that watched everyone grow up around them and thinks they have to keep up.	5/12/2018 11:43 AM
162	Great Schools lovely place to raise a family. Bigger lots less congestion lets keep it this way	5/12/2018 10:41 AM
163	Great place to raise a family still but the "rural feel" is dying off quickly. Seems like developers want to make this place like Waverly, Rea Farms, Blakeney or Promenade and there are enough of these shopping centers already. Just because we do not have them located in western Union County doesn't mean that we need to build any.	5/12/2018 10:30 AM

165	Great place to be and needs to continue to be a bedroom community	5/12/2018 8:19 AM
166	I have been here since before the town was incorporated. So far I'm pleased with the minimalist town governance. I am against growing political influence in our town. Keep it simple and low cost.	5/11/2018 10:24 PM

214	I have always loved living in Weddington until the fire department issue, water tower and new subdivisions popping up near us. It is starting to feel more like we live in Charlotte. Because of this we are considering moving out near Oakboro so we can get that rural feel back but still be close to the city for work and weekend fun when we want.	5/8/2018 5:25 PM

## Weddington Resident Survey

233	I love Weddington but think it is becoming just another Charlotte suburb. We need to protect our most valuable resources which are small town charm, upscale single family homes, beautiful green spaces, green forests, wide open pastures, low crime, and great schools. Overdevelopment and congestion will negatively impact all of these areas. We need smart planing because once overdevelopment has occurred there is no turning back. One suggestion would be a community like Serenby outside of Atlanta. This is by far the smartest planning I have seen in the US. Perhaps reach out to the developers. I would move to a community like this ina heartbeat!	5/8/2018 9:57 AM
234	It's still holding on to that country feel. Great place to raise a family and great schools.	5/8/2018 9:48 AM
235	Good	5/8/2018 9:45 AM

265	Growing too fast.	5/7/2018 4:41 PM
266	Moved here 18+ years ago because of the small town atmosphere. Unfortunately the town is losing the charm we bought here to enjoy. Can't stop progress, but don't have to embrace the consequences.	5/7/2018 4:40 PM
267	I like it but traffic has increased too much.	5/7/2018 4:14 PM
268	Before the repeal of R-40, it was great. What I now see is big homes being built on 1/3 acre lots. A dramatic increase to density of population.	5/7/2018 4:03 PM
269	Too much growth in a very little time frame.	5/7/2018 3:47 PM

271	I love it here!	5/7/2018 3:38 PM

301	We moved here 10 years ago and a lot has changed, would like to see growth slow down no need for all these home developments they are causing an increase in traffic and increase to schools	5/6/2018 8:56 PM
302	Excellent place to live , especially the older neighborhoods .	5/6/2018 8:54 PM
303	A great place to live	5/6/2018 7:38 PM
304	lost part of what made it appealing	5/6/2018 7:35 PM
305	A semi rural, heavily treed, quiet, slower paced, town. That was my original perception but that has changed in the last 12 years. If it gets much busier and more hectic living here we will move.	5/6/2018 7:29 PM
306	good, but construction of new homes happening too fast. too many fields and woodlands lost	5/6/2018 7:23 PM

311	Good place to live	5/6/2018 4:34 PM
312	We have lived here for 19 years. We are pleased with the new leadership that was just voted in. We are very displeased that our Weddington Fire Department was taken over by Wesley Chapel. We are displeased with the amount of residential growth that was approved all at once. This should have been approved in stages to allow for the infrastructure to catch up.	5/6/2018 4:32 PM
313	Gridlocked	5/6/2018 3:53 PM
314	I like that it's small town, low number of businesses, mostly residential space. Feels safe.	5/6/2018 3:42 PM
315	a good place to live but has to deal with the rapid growth of population and along with it brings undesirable neighbors which negatively affects the neighborhood. Then, we count on the town to address these negative issues. The town is too slow to act on problems like these.	5/6/2018 3:12 PM
316	small town countrt with some conveniences	5/6/2018 3:00 PM

328	Great place to live and raise a family	5/6/2018 11:51 AM
329	Best place to live in the United States	5/6/2018 11:49 AM
330	Turning into part of Charlotte urban sprawl. Overdeveloped and the chrarm of rural countryside is being eradicated.	5/6/2018 10:55 AM
331	Very good.	5/6/2018 10:54 AM
332	A very pleasant and beautiful place to live, but growth without slow and careful planning will ultimately ruin the character of Weddington (think Waxhaw). You must conceptualize what it is all going to look like when land development is all done. We have already fallen short in many ways, and we are running out of time to change the course of history.	5/6/2018 10:34 AM

346	Good	5/5/2018 10:25 PM
347	On the decline due to unnecessary developments that make Weddington more like Indian Trail and drives people to other areas like Marvin to get away.	5/5/2018 9:24 PM
348	as with most of the Charlotte area, very high traffic, congestion, concerns with over-development, growth with no green space development, lack of community concern with gathering spots that foster love of nature and love of community, and promote a feeling of wanting to keep the peace, yet to be neighborly	5/5/2018 9:20 PM
349	Use to be a nice place to live	5/5/2018 9:12 PM
350	I like the tranquility away from the Charlotte bustle. If I want raz-ma-taz, I can drive to IT; I don't want it in my backyard.	5/5/2018 9:07 PM
351	A lovely small town that some want to grow to fast. It needs to stay small and quaint. I know all growth cannot be kept at bay, but growth needs to be keep as minimal as possible. If one wants to have every amenity close at hand they need to move to Charlotte. We do NOT need to have a Waverly in Weddington.	5/5/2018 8:45 PM
352	It is a complete piece of trash because of poor mgmt.	5/5/2018 8:39 PM
353	It was a lovely semi-rural town with large properties and a high standard of living that is turning into an expensive suburb indistinguishable from other south Charlotte areas.	5/5/2018 8:36 PM
354	Strong	5/5/2018 8:24 PM
355	Excellent	5/5/2018 7:48 PM
356	love it here and honestly I don't know how we lucked into finding Weddington coming from TX almost 8 years ago. Mostly finding UnionCPS brought us to the right areas. I'd like Weddington to continue to support UCPS as much as possible.	5/5/2018 6:30 PM
357	It was great, got competitive.	5/5/2018 6:30 PM

371	I Love Weddington	5/5/2018 4:11 PM
372	Relatively unspoiled but losing it's uniqueness and becoming over developed like everywhere else	5/5/2018 3:50 PM
373	Great place to live. Getting more crowded though as more development. Roads not keeping up. Need more for senior citizens to get involved in.	5/5/2018 3:45 PM
374	I love living here	5/5/2018 3:40 PM
375	The overdevelopment in certain parts of the town (Cox Rd, 84, Matthews-Weddington) as the farms disappear 1 by 1 is absolutely heartbreaking.	5/5/2018 3:36 PM
376	It is a nice little town with a great set of K-12 schools. We are behind on open spaces and are too focused on subdivisions. We MUST also provide housing options for people (teachers, fire fighters, police officers, etc.) that have lower incomes. We should NOT be seen as an elitist community but one where all are welcome.	5/5/2018 3:16 PM
377	We love it here but it has gotten too congested	5/5/2018 2:56 PM
378	Love the small town feel	5/5/2018 1:50 PM
379	A great place to live	5/4/2018 11:14 AM
380	A good place to live	5/4/2018 9:30 AM
381	It used to be higher class large lot sizes, but now it is moving dangerously towards large production builders with higher densities and lower cost housing.	5/4/2018 9:11 AM
382	A nice, lower populated, suburb of Charlotte	5/3/2018 9:37 PM
383	Good.	5/3/2018 4:40 PM
384	great place to livd	5/3/2018 4:13 PM
385	Beautiful and clean small town	5/3/2018 10:40 AM
386	Bedroom community with good zoning to protect property values	5/3/2018 8:17 AM
387	Too new...recently moved	5/3/2018 7:48 AM
388	Love it here!	5/3/2018 12:36 AM
389	Lowering the more I hear of the sewer project	5/2/2018 10:30 PM
390	Family friendly and friendly community. Pride in our community and seems very supportive.	5/2/2018 5:57 PM
391	Positive	5/2/2018 5:08 PM
392	a small town that's outgrowing itself	5/2/2018 3:17 PM
393	In danger of becoming like every other city suburb in the country.	5/1/2018 1:49 PM
394	positive. just don't let growth take over.	5/1/2018 9:53 AM
395	Good	4/30/2018 10:41 PM
396	Love the town	4/29/2018 11:00 PM
397	Great place to live, don't ruin with development	4/29/2018 9:16 PM
398	Used to be a small town feel but now is getting very congested/dirty and farmland is disappearing at a rapid rate.	4/28/2018 7:39 PM

## Weddington Resident Survey

399	I love that it is a small community and mostly homeowners and farm land. I understand that it has changed dramatically over the last decade or more and we are part of that growth but I would like to see Weddington not change and def not become more commercial or dense.	4/28/2018 1:33 PM
400	Quiet - rural - low tax- up scale	4/28/2018 12:57 PM
401	Reactive, status quo, lacking in ability to execute vision.	4/28/2018 10:23 AM
402	I like living here a lot but would like more outdoor recreational space and community events.	4/26/2018 4:06 PM
403	Good	4/26/2018 2:17 PM
404	We like it. It's quiet and we have a 1 acre lot so we enjoy having more room.	4/26/2018 10:05 AM
405	Weddington is a nice, residential oriented town.	4/25/2018 11:20 AM
406	Great place to live	4/25/2018 9:58 AM
407	Just a bedroom community. Not a big draw to "wan to only" live in this town as a first choice.	4/25/2018 9:01 AM
408	Like Weddington, would be nice to do what towns like Matthews, Noda, and even Waxhaw has tried to do with a few niche eateries, craft beer/wine establishments, benches, etc	4/24/2018 11:29 PM
409	Getting too overcrowded	4/24/2018 10:38 PM
410	Small town, great families, large lots	4/24/2018 10:19 PM
411	Peaceful, friendly and family oriented.	4/24/2018 9:24 PM
412	Small town in near city	4/24/2018 8:55 PM
413	A little bit of city with a fair amount of country	4/24/2018 8:36 PM
414	Family friendly small town	4/24/2018 8:05 PM
415	Overall positive but very concerned about over building and straining the existing infrastructure.	4/24/2018 8:04 PM
416	Love it here. Leave it alone.	4/24/2018 7:58 PM
417	Wonderful Small town with great access	4/24/2018 7:48 PM
418	Small town outside the city	4/24/2018 7:25 PM

420	Very nice quiet community	4/24/2018 7:01 PM
421	Beautiful small town, with open space and farms.	4/24/2018 6:49 PM
422	A great place to live	4/24/2018 4:48 PM

426	Very nice. I chose to live here and I am happy	4/23/2018 5:04 PM
427	Very glad I moved here, and will be sorry to be forced out if development, traffic and schools do not get under control	4/23/2018 5:00 PM
428	I am very glad that we found Weddington as a place to raise our family	4/23/2018 4:28 PM
429	As many of my neighbors believe, it's about real estate development. As in other places I have lived, development won't stop until there's not an open space left. Google "Hurricane Harvey-Friendswood ,Texas" and you'll see what over development leaves behind!	4/23/2018 11:43 AM
430	Very good	4/22/2018 12:30 PM
431	Good but declining	4/22/2018 11:16 AM
432	No longer happy due to the development	4/22/2018 9:34 AM
433	We are a Relatively quiet and safe community near Mecklenburg county with good schools. The town could use more infrastructure development- especially with the schools, road expansions and park development.	4/21/2018 1:43 PM

## Weddington Resident Survey

434	I am very dissatisfied with the residential development prior to the planning. I wish that a survey such as this would have been done 10 years ago. When we moved here there was a moratorium and no permits being issued. I admit that I do not fully understand the laws but think that permits should be issued dependent on if the infrastructure can sufficiently sustain the growth. It was too much too soon.	4/21/2018 12:03 PM
435	Her 25 yrs. always loved it but over past 10 yrs been less happy with how it's run. Lost hometown feel	4/21/2018 8:59 AM
436	It's certainly not as picturesque or peaceful as it was when I was a child. Things change, I know that; just feel we are at a pivotal point and really need to be careful what is done to insure our values and retain the feel of a small town.	4/20/2018 9:43 PM
437	Disconnected Rich Entitled (Hope I'm wrong on the last one)	4/20/2018 6:04 PM
438	A nice place to live, reasonable properties tax. I feel isolated from main part of Weddington. I think this perception came about when my neighborhood lost access to Weddington schools, a fact which negatively affected my property tax and which the Weddington leadership seemed to take little interest I helping out.	4/20/2018 5:52 PM
439	A great place to live.	4/20/2018 5:07 PM
440	Nice place to raise kids	4/20/2018 5:01 PM
441	Desirable location	4/20/2018 4:34 PM
442	It is a nice place to live but there is a lot of traffic and you have to go elsewhere to shop.	4/20/2018 4:33 PM
443	lots of houses, not enough infrastructure/businesses	4/20/2018 4:21 PM
444	Great place for my family	4/20/2018 3:41 PM
445	Strong but growth is outpacing infrastructure	4/20/2018 2:22 PM
446	Love it!	4/20/2018 2:00 PM
447	Growing to fast	4/20/2018 1:43 PM
448	Nice place to live	4/20/2018 1:40 PM
449	A town with homes on large lots with an abundance of green space.	4/20/2018 1:33 PM
450	Excellent	4/20/2018 10:51 AM
451	the less the better	4/19/2018 10:27 PM
452	A pleasant town	4/19/2018 4:38 PM
453	Great	4/19/2018 1:19 PM
454	Nice area	4/19/2018 3:32 AM
455	Very positive. However, we need to stop the residential growth. Traffic is a major concern and will get worse, which puts Weddington at risk of becoming a bad place to live. Please stop the residential growth or you will ruin the town.	4/18/2018 10:40 PM
456	Great	4/18/2018 2:27 PM
457	i like weddington. but i miss the farm land	4/18/2018 1:04 PM
458	Great Residential area and would like to keep it that way	4/18/2018 9:53 AM
459	Growing fast. Roads need to keep up.	4/18/2018 8:17 AM
460	Too much growth. Traffic	4/17/2018 9:09 PM
461	Nice	4/17/2018 7:12 PM
462	Small town with lots of older people who don't want anything to change. Great place to live.	4/17/2018 3:57 PM
463	Small town, I grew up here so I like it that way but would not mind seeing some mid to upper restaurants	4/17/2018 3:20 PM
464	Love the location and neighborhoods. Concerned about fast growth in the past several years. Traffic is getting much worse.	4/17/2018 2:21 PM
465	Love	4/17/2018 12:16 PM

## Weddington Resident Survey

466	If I can't afford to live in Blowing Rock yet, I'm not moving from Weddington. This is the perfect mix of quaint breathing room but five minutes from anything I need.	4/17/2018 11:43 AM
467	nice place to live without a lot of businesses or apartments or townhomes to keep the town aesthetics	4/17/2018 11:39 AM
468	Positive	4/17/2018 11:37 AM
469	a great community making many mistakes in its growth control.	4/17/2018 11:05 AM
470	Changing too quickly. After the Rea Road extension is done I think it will be unrecognizable	4/17/2018 10:14 AM
471	Great place for families	4/17/2018 8:37 AM
472	Love living there	4/16/2018 3:56 PM
473	Nice small town	4/16/2018 3:38 PM
474	Growing and expensive	4/16/2018 2:02 PM
475	I enjoy living here, I am nervous for my children to drive on the busier, unsafe roads with speeding people and I would also like to navigate my area on bike or running.	4/16/2018 1:23 PM
476	love the area, county and school doesn't talk and are putting my home values at risk and families are questioning whether to move to area.	4/16/2018 10:54 AM
477	great place to live	4/16/2018 9:27 AM
478	We love Weddington! We moved from Marvin and the people here are fantastic! We just wish development would a lot more limited and infrastructure and schools would be taken into consideration with an increase in residents.	4/15/2018 9:23 PM
479	Growing fast without design or plan	4/15/2018 7:18 PM
480	Used to be a great place to live. It's being overdeveloped without adequate roads to handle the influx.	4/15/2018 6:18 PM
481	Weddington is a lovely little country town that is beginning to grow far too fast and becoming congested, annoying, and too big.	4/15/2018 5:08 PM
482	Beautiful. Country. Pure. Upscale. Proud to live here.	4/15/2018 9:41 AM
483	Becoming too crowded.	4/15/2018 8:12 AM
484	Positive	4/13/2018 9:58 PM
485	I like the rural feel but too much development is coming in so it's losing that rural feel. Just seems like a suburb of Charlotte now. Open land is disappearing which is sad. I understand the homeowners with land wanting to sell to developers but it would have been nice to require larger lots to keep the rural feel. 1 acre is not large enough to maintain the rural feel of the town. But it's too late now to make any changes since most of the open land is being developed already.	4/13/2018 9:15 PM
486	A very quiet and safe community with a nice laidback feel. But, growing too fast and I fear that its charm will be lost in the growth.	4/13/2018 8:32 PM
487	There's not really a town atmosphere. It's a bedroom community. lacks an identity.	4/13/2018 6:44 PM
488	Bedroom community - not much sense of identity	4/13/2018 6:20 PM
489	Great!	4/13/2018 5:01 PM
490	Great location. Poor planning. Not utilizing location to bring in recreation and restaurants that could compete with other area locations. And that eye sore at Providence and Hemby! I know it's somehow grandfathered in but it rivals the image we should have.	4/13/2018 1:14 PM
491	A town in need of a vision (nice as it is)	4/13/2018 12:45 PM
492	Lovely town. Enjoy living here to get away from the busiest of the neighboring towns and cities.	4/13/2018 11:42 AM
493	The town of weddington is a great place but needs a updated look and redesign to be able to make it a more accessible town and a place you want to stay vs going up the street or to anywhere area.	4/13/2018 9:18 AM
494	no community feel,everyone leaves Weddington to work in Mecklenburg county, comes home after long commute and no nice restaurants or nice places to shop without getting in a car	4/13/2018 8:23 AM

## Weddington Resident Survey

495	Getting too crowded of homes and not enough services for these homes so that may go to Me klenburg to go shopping doctors and other needs, paying taxes on products to Mecklenburg Coubty instead of Union Coubty to support where we live	4/13/2018 6:58 AM
496	needs to keep up with progress	4/13/2018 6:44 AM
497	Quiet with horrible roads and nothing else. Weddington is nothing but a pass through that's turning into clear cut subdivisions. Weddington isn't supporting the growth.	4/13/2018 6:11 AM
498	A nice bedroom community with community schools. A great place to raise a family.	4/12/2018 8:40 PM
499	Great place to live but currently getting very busy and overcrowded/populated	4/12/2018 2:58 PM
500	Good	4/12/2018 12:56 PM
501	High-end suburban enclave	4/12/2018 12:49 PM
502	We've been in Weddington for a long time and absolutely love it but feel like it is time for us to grow a bit and provide some higher end shopping and dining options that would be fitting with our demographics	4/12/2018 11:02 AM
503	We loved it when we moved here but changing lot minimums has changed our feel of Weddington. No advantages of living here now.	4/12/2018 8:05 AM
504	Small, quiet, retiree feeling Town. Seems conservative around activities and planned use of space.	4/11/2018 10:34 PM
505	Good people, excellent schools, affluent, beautiful/sprawling countryside, upscale homes	4/11/2018 10:20 PM
506	I think it is a beautiful place. I am very happy that you are soliciting our opinions on growth	4/11/2018 6:38 PM
507	nice and quiet	4/11/2018 5:18 PM
508	Nice rural town struggling with growth	4/11/2018 4:46 PM
509	Good.	4/11/2018 4:00 PM
510	I think it's a wonderful community but we do have a problem with crowded roads.	4/11/2018 12:00 PM
511	needs to be open minded to growth and services for the public. Tired of seeing all of the growth surrounding us	4/11/2018 11:19 AM
512	Good single family small town atmosphere	4/11/2018 9:25 AM
513	good	4/11/2018 9:24 AM
514	Growing but needs to stay upper class	4/11/2018 8:45 AM
515	it's 'Bedroom community' status is in jeopardy - a water tower in the middle of the residential part of the community, along with the threat of commercial development at every turn is making me want to move to Marvin where they clearly value their status as a desirable town to live in - with more than enough amenities nearby.	4/11/2018 8:18 AM
516	Nice town, but it might not be that way at the current rate.	4/11/2018 8:16 AM
517	Great	4/11/2018 6:19 AM
518	Great place for families with school aged kids. Very good schools and good/safe neighborhoods.	4/11/2018 4:33 AM
519	Very nice	4/10/2018 11:47 PM
520	Peaceful, unique, rural	4/10/2018 10:46 PM
521	Nice high end community with good family values	4/10/2018 10:44 PM
522	Do not like the newer communities with small lots but love weddington	4/10/2018 10:31 PM
523	I appreciate the lower density of the housing which leads to less traffic	4/10/2018 10:27 PM
524	Lovely high-end neighborhood in "south charlotte"	4/10/2018 10:22 PM
525	The town seems to devote most of its time approving building subdivisions	4/10/2018 10:22 PM

## Weddington Resident Survey

526	Lovely town that must be careful not to get too big or run the risk of losing what makes it special. Waxhaw was nice small town until they allowed too much residential and lower level businesses to move in. Now the schools are overcrowded and traffic is terrible. They are stuck with no easy road to Charlotte. Waxhaw didn't plan well and the residents are paying. Wouldn't trade Weddington for Waxhaw. Take a lesson.	4/10/2018 10:15 PM
527	Sleepy bedroom community	4/10/2018 10:10 PM
528	Awesome	4/10/2018 10:07 PM
529	I think it has the potential to be a charming highly desirable town if future zoning and planning are done correctly. Don't just slap a bunch of subdivisions up, be thoughtful and develop around a town square that brings a center to the community.	4/10/2018 10:06 PM
530	Small town with lots of potential.	4/10/2018 10:05 PM
531	Pleasant area, but could use more pedestrian related access. Greenway, paths or sidewalks	4/10/2018 9:53 PM
532	Stop growing	4/10/2018 9:38 PM
533	A small town losing its focus and losing its charm and with that its appeal that brought us here	4/10/2018 9:36 PM
534	We loved it at first when we moved here 9 years ago. All the growth and changes have made us feel as if we didn't move far enough outside Charlotte. " if you build it, they will come"	4/10/2018 9:36 PM
535	Love living here	4/10/2018 9:27 PM
536	Great place to live. Growing too fast.	4/10/2018 9:23 PM
537	Was great when I moved here ten years ago. Now I don't like it.	4/10/2018 9:20 PM
538	nice, quiet town that is close to charlotte	4/10/2018 8:54 PM
539	I love living here.	4/10/2018 8:35 PM
540	Feels somewhat of a cross between rural / small neighborhood - like that it's not over developed	4/10/2018 8:23 PM
541	Great place to live, great location	4/10/2018 8:22 PM
542	Strong	4/10/2018 7:42 PM
543	We've lived here for 30 years and have been very happy as long as it doesn't get overdeveloped.	4/10/2018 7:09 PM
544	Great rural atmosphere	4/10/2018 6:15 PM
545	Good place to live	4/10/2018 4:38 PM
546	Beautiful and clean	4/10/2018 4:29 PM
547	Great town	4/10/2018 3:58 PM
548	Great place to live	4/10/2018 3:11 PM
549	good environment but under siege of development	4/10/2018 2:50 PM
550	Love Weddington, love all of the trees, open space, large lots, love the lack of commercial areas	4/10/2018 2:42 PM
551	A nice town, but doesn't seem as family friendly as some other areas like Marvin	4/10/2018 2:40 PM
552	Great town with great schools	4/10/2018 1:52 PM
553	We're new here and like it a lot.	4/10/2018 1:43 PM
554	Excellent	4/10/2018 1:27 PM
555	Smaller government and happier residents!! ??	4/10/2018 1:15 PM
556	Great place to live	4/10/2018 1:08 PM
557	Great place to raise a family	4/10/2018 12:30 PM
558	Okay	4/10/2018 12:20 PM
559	A good place to live and raise a family	4/10/2018 12:09 PM
560	nice place but schools are way overcrowded. There should be no more building until more elementary, middle and high schools are built.	4/10/2018 12:08 PM

## Weddington Resident Survey

561	An incorporated town to avoid being annexed into a high tax rate town. Not much identity otherwise	4/10/2018 11:55 AM
562	Nice suburb of Charlotte. Let's keep it that way. It's getting too overgrown without the infrastructure to support the growth.	4/10/2018 11:53 AM
563	I love it. It is the perfect place for my family to live.	4/10/2018 11:28 AM
564	Great place to raise a family. Free of excessive development which tends to draw in the riff raff (especially if you start having public transit--avoid that stuff--it KILLED Dearborn, MI when the busses started rolling in)	4/10/2018 11:04 AM
565	Nice small community with good neighborhoods. Roads -- not so much. Politics has taken turn for the better with a new mayor.	4/10/2018 10:33 AM
566	Love living in beautiful Weddington with the feeling of being more rural and in the country	4/10/2018 10:14 AM
567	It no longer has the small town feel that most long time residents loved about living in a rural area. The growth is out of control. Gridlocking intersections and over crowding schools.	4/10/2018 9:22 AM
568	Weddington is a place to go through to get somewhere else. Definitely not a destination. If not for the church there would be no reason to stop.	4/10/2018 8:57 AM
569	Sleepy	4/10/2018 7:18 AM
570	I love it but am worried about growth changing it.	4/10/2018 1:03 AM
571	I like weddington,have seen a lot of change here in 40years. I think there are many people here who would like to stay and downsize but there is not a lot of smaller ranch homes available so they are moving out of the community they have loved and called home, to meet their physical needs.I also am concerned about our senior citizens with limited mobility and tdmporarily disabked people. I know wumc offers meal delivery for church members only....but there are many people that are not church members but in need of decent nutritional meals,and people just to drop by or call and check on them. This is a deeply personal concern and priority but i would love to help our community with this! We as a community need to be aware of and offer some concern and commitment to our neighbors and citizens. What a nice service to be recognized and remembered for.	4/10/2018 1:03 AM
572	Small town, with limited services, afraid to add diverse services to our towns landscape - like niche retail and dining and land use options other than residential.	4/9/2018 11:57 PM
573	Needs to stay family and rural... let Charlotte, Waxhaw, Marvin and Wesley Chapel have the overcrowding and the business approach	4/9/2018 11:51 PM
574	Too affluent	4/9/2018 11:40 PM
575	Liked it better when all the developments were being put up everywhere. Town is not taking into consideration the effect on school population and the effects on roads causing more traffic nightmares.	4/9/2018 11:20 PM
576	Great place to live. Great schools.	4/9/2018 11:08 PM

606	Not enough commercial options...have to spend my tax dollars in other towns	4/9/2018 3:27 PM
607	Growing bedroom community - struggling to stay current with growth	4/9/2018 3:04 PM
608	Nice place to live, great schools, terrific people. Keep government small and mostly out of our lives. Reduce taxes.	4/9/2018 2:34 PM
609	No town services comparable to Matthew's. No library, post office, facilities. No road maintenance. Allow the developers to do what they want to increase the tax base.	4/9/2018 1:50 PM
610	Nice area. Need to get better control of allowed growth or will congest to the point no longer attractive.	4/9/2018 1:19 PM

614	VERY NICE & SAFE COMMUNITY	4/9/2018 11:44 AM
615	Weddington is a rare gem in the Charlotte region -- it has kept commercial development out very successfully over time, and has retained it's mix of rural and neighborhood character. Looking ahead, Weddington could enhance the lifestyle of its residents and desirability of its location if it can add greenways and/or bike/pedestrian pathways and figure out a way to create a nice public park that is a draw to its residents. Weddington should capitalize on its strengths and avoid competing with surrounding towns on commercial developments. Especially with Waverly's arrival, there are already plenty of dining options nearby.	4/9/2018 10:51 AM
616	Dull	4/9/2018 10:43 AM
617	Good, keep it with nice neighborhoods.	4/9/2018 10:15 AM

624	Going downhill.	4/9/2018 9:07 AM
625	good	4/9/2018 8:53 AM
626	Pretty place to live but lacks enough amenities to support to continual development of further housing. Already there is pressure on schools and more housing development will only increase this pressure. Amenities need to grow before more housing sub-divisions are constructed. NC 84 improvements need to be made a priority before granting any further housing development.	4/9/2018 8:14 AM
627	Great	4/9/2018 8:13 AM
628	Great town where nobody knows anybody.	4/9/2018 7:46 AM
629	Used to love living in Weddington. However because of the over-development on Antioch Church Road we are now searching for a new home outside of Weddington. The Falls of Weddington was the final straw. Such an ugly eye sore that we must pass almost daily. That property could have been the jewel of Weddington as a park with hiking trails and amenities for all the town to enjoy.	4/8/2018 11:58 PM
630	We love it here!! The perfect "country" feel but still close to all the amenities we need.	4/8/2018 10:42 PM
631	great place to live	4/8/2018 9:20 PM
632	4 star	4/8/2018 8:51 PM
633	Positive excellent community under seize from uncontrolled development. Failure of local government to stand up and freeze development!	4/8/2018 7:16 PM
634	Not happy with how fast it's growing. It's getting too crowded.	4/8/2018 7:07 PM

650	Weddington use to be a nice small town but you SOLD OUT to developers and I HATE IT HERE NOW ! Stop building homes and commercial businesses!	4/8/2018 1:35 PM
651	Would like for Weddington to have its own zip code to avoid the confusion with Mathews. I tell people I live in Weddington which I describe as a small community but they enter information and say I live in Mathews. I think of these as 2 different communities with different characteristics, living styles and interests. It is time to set us apart.	4/8/2018 1:34 PM
652	It doesn't feel like a town.	4/8/2018 1:02 PM

656	It was a nice place to live. It is getting too crowded. Traffic is a problem. Elementary school on Antioch needs a second entrance/exit. Whoever put that school there with one entrance/exit was either an idiot or they never have to travel that road.	4/8/2018 11:07 AM

698	Great, but growing too fast too quickly. The infrastructure and schools seem to be suffering from constant new neighborhoods popping up. We're going to lose the small town feel when we start putting new subdivisions on every open corner.	4/7/2018 4:58 PM

737	We like her her very much.	4/6/2018 11:10 PM
738	Too much growth where we were told that the Town of Weddington was going to be a community of large acre lots with a rural atmosphere. Greedy property owners with the utmost wish to sell their once farmland to developers. Goodbye Weddington, hello Charlotte.	4/6/2018 10:59 PM

## Weddington Resident Survey

764	We've lived here for over 20 years. However we grow increasingly concerned about the rapid pace and scope of residential growth currently underway. All these new developments are going in without adequate infrastructure. Two lane roads in our area were not designed to meet the capacity required to accommodate the growth which continues.	4/6/2018 2:11 PM
765	Good place to raise kids.	4/6/2018 1:56 PM
766	Great	4/6/2018 1:21 PM
767	We grew up in Union County and came back to Weddington due to Charlotte's overbuilding and constant school redistricting. Weddington is becoming like Charlotte...not good.	4/6/2018 1:10 PM

772	Great town	4/6/2018 11:54 AM
773	Please, have a minimum of an acre of land. Weddington is an upper to middle class area. The homes are mostly brick, which I like having brick. Keep Weddington a wooded area.	4/6/2018 11:54 AM
774	Good but hate to see the proliferation of so many neighborhoods at the expense of beautiful farmland; as a result, traffic and noise more of an issue now	4/6/2018 11:40 AM
775	Nice quiet town with minimum government and low commercial.	4/6/2018 11:39 AM
776	Its awesome... but we are growing too quickly. We need to stop development asap.	4/6/2018 11:39 AM

781	Good place to live. Have to go out of town for shopping, eating out, etc.	4/6/2018 11:18 AM
782	Weddington has lost its rural appeal and I believe has sold out to bigger town principals. I love my home and never want to move but am disheartened at the town's continued growth after promises of curtailing unwanted progression.	4/6/2018 11:14 AM
783	Nice place to live. Growing too fast and overextending use of existing infrastructure.	4/6/2018 11:10 AM

788	I feel our suburban paradise, the one place where you could be close to charlotte but still feel like you're in the country is gone. The development has been at a breakneck pace lately and other surrounding development in Ballantyne has made the traffic more like an urban center than a suburban center	4/6/2018 10:48 AM
789	Stuck in the 1950's	4/6/2018 10:44 AM

## Weddington Resident Survey

27	We moved here in 1993 to escape the urban life of street lights, side walks, congested neighborhoods, traffic, rush hour traffic, noise, and shopping/restaurants/gas stations/banks on every corner. To be able to hear the birds sing, to be able to see the stars in the sky, to have peace and tranquility to live and sleep in. It was perfect then. Sadly that perfection is being lost by those who left the urban area only to want to develop an urban area here, to have their street lights and side walks, to have shopping and restaurants within walking distance of their homes; to recreate here what they left when they moved here. Makes zero sense! One house an acre is more dense than we ever wanted. I would love to have seen it that Weddington had one house on at least 3 acres preferably 4-5 acres per house...a much less dense area than it has become. What we have now is traffic, too many neighborhoods, noise deafening the sound of the birds, wild life with no places left to go, rush hour problems, more pavement...Weddington is losing the beauty it once had, the very thing that drew us here, to become just another ugly, noisy, congested, urban area.	5/17/2018 11:24 PM

I don't want to live in an area where there are apartments and a lot of townhouses as these folks tend to move in and out a lot more and affect the quality of relationships that people form with each other. 263	looked for a house in the woods in a quiet neighborhood with (easy) access to Charlotte	5/7/2018 7:35 PM
264	Actually we moved to Charlotte as a frame of reference. Picked Union county for the lower property taxes and the bedroom style community on 1-5 acre lots. Really like how our community of Lake Providence were custom home sites that required, by covenant, to preserve or replant the existing trees. The close proximity to charlotte was a plus. Most of all we like the southern hospitality, polite manners, and more relaxed pace of life. We are still very glad we chose Charlotte / Weddington as our new home almost 14 years ago. It was a terrific place to raise a family and great school for our children.	5/7/2018 7:29 PM

271	Worked for Char/ Meck as a building inspector and just couldn't take it anymore. Charles Deal gave me a good deal on swapping land for labor on his mom's house and I couldn't turn it down. Now this place is looking like Charlotte.	5/7/2018 5:40 PM

279	Schools	5/7/2018 3:43 PM
280	I grew up here and chose to return as an adult. I love the idea of raising my child here. I hope it can keep its suburban/rural feel although I know that is tough with its proximity to Charlotte and Waxhaw's rapid (almost excessive growth). I chose Weddington over other areas in Union County because of the lot restrictions (I appreciate the thoughtful consideration regarding growth).	5/7/2018 3:38 PM

## Weddington Resident Survey

312	Moved to the area 20 years ago for job relocation. We decided upon Weddington because of the reputation of the schools but we are no longer the most desirable schools. We need to recapture that desirability . I know Union County "owns" the schools in our area but we need to do all we can as a community to support the Weddington cluster and make it the absolute best. The reputation of the local schools is most likely a priority to future Weddington residents because they value education and that is one of the main reasons property values stay high. We need the reputation of safe schools where are children are getting a top notch education. I am aware that not everyone in Weddington proper is assigned to the Weddington cluster.	5/6/2018 10:17 PM

Weddington Resident Survey

Q47 What can we do better?

Answered: 710 Skipped: 284

#	RESPONSES	DATE
1	Limit building keep taxes where they are. No more sidewalks or bike lanes there are parks for that. More road project that lessen traffic and stand still.	5/21/2018 7:25 AM
2	not much at this point	5/20/2018 10:25 PM
3	I don't think you can do anything, all the communities around us are overpopulating	5/20/2018 10:23 PM
4	More public open natural areas/parks	5/20/2018 1:45 PM
5	Develop and be aggressively transparent with present and future plans for the community regarding growth and expansion. Consider growth restrictions to keep the "feel" that Weddington's reputation had become noted for and as a result, a very desirable community to be apart of and live in	5/20/2018 9:44 AM
6	Build a Post Office!!	5/19/2018 12:10 AM
7	stop allowing developments where houses are built on top of each other. Much too close together!	5/18/2018 9:54 PM
8	Create more of a community feel. More emphasis on conservation, less on development.	5/18/2018 8:20 PM
9	Have controlled growth	5/18/2018 7:21 PM
10	Stop the growth and bring the roads up to/beyond Weddingtons prior growth	5/18/2018 4:46 PM
11	Stop the over development	5/18/2018 3:51 PM
12	Be transparent	5/18/2018 3:14 PM
13	Stop all growth	5/18/2018 3:07 PM
14	Require new land developers to put more into the infrastructure and public spaces	5/18/2018 3:04 PM
15	nothing I can think of	5/18/2018 12:52 PM
16	Stop approving new housing/development and zoning changes. Preserve what makes Weddington unique and special.	5/18/2018 11:38 AM
17	nothing	5/18/2018 9:45 AM
18	obtain input from residents	5/18/2018 6:04 AM
19	Stop the development of more neighborhoods, which just adds more traffic, and try to keep what made Weddington attractive to begin with...less density, country life, bedroom community, no urban qualities (side walks, street lights, congestion, etc.).	5/17/2018 11:24 PM
20	Keep commercial Business out and open space Development out..Go back 1 acre per house. We have all the shopping & Business close by like Waylay, Providence Commons and Rea Farms	5/17/2018 10:23 PM
21	Do less.	5/17/2018 10:03 PM
22	Better sidewalks, public transportation, more parks, better schools?	5/17/2018 9:40 PM
23	Lower taxes	5/17/2018 9:28 PM
24	Stop allowing so much new home development.	5/17/2018 9:26 PM
25	better walkways/greenways, add bike lanes or make it illegal for people to bike on roads without them. Weddington road is not a place for bikes	5/17/2018 9:14 PM
26	Add sidewalks	5/17/2018 8:55 PM
27	Be proactive regarding development and it's effect on schools. People, like us, move here for the schools. You can't control much about what happens in Ucps...but you can control what happens in our corner of it re: development. Keep up the quality of our schools and keep down the need for our kids to be redistricted out of Weddington by limiting development. There is wealth in limiting supply. It increases property value and benefits our schools.	5/17/2018 8:55 PM

## Weddington Resident Survey

28	Communicate and inform about town services. DO NOT succumb to huge developers and commercial real estate!! I've seen how it works in Charlotte proper in zoning issues that adjoined Matthews. I've seen the games the manipulation and the greed at work. Matthews fought it well under mayors Meyer and Taylor but being in same county and on major transit corridors made it tough. We have 16 and 84 but we have the chance NOW to keep things right - do not give in to greed- know the developers and their consultants and lawyers will mislead you right up to lying. We are in a dangerous spot with rea coming through to 84 and 84'widening coming - be different than our neighbor towns -make us proud	5/17/2018 8:38 PM
29	I want to use Weddington as my mailing address. However, when I purchase from stores I am told I have to put Matthews because of my zip code. 28104. I would like to only use Weddington as my city and address.	5/17/2018 8:36 PM
30	Stop allowing builders to build on every open space. Seems to me that the town just wants the revenue that comes with all the new homes. You are destroying the rural feel of Weddington. Feels like we're living in overcrowded Charlotte.	5/17/2018 8:25 PM
31	Get a kids park	5/17/2018 7:05 PM
32	We live less than 1/2 mile from the school. I wish there were sidewalks down Deal Road and maybe 12 mile around the schools.	5/17/2018 6:50 PM
33	Give us sidewalks and crosswalks for safety and green spaces for open play. No more large concentrated neighborhoods. Encourage roadways with more animal asses and horses, of course.	5/17/2018 6:45 PM
34	Limit buildings	5/17/2018 6:07 PM
35	QUIT TRYING TO TURN US INTO MATTHEWS OR WAXHAW. There is enough traffic. Don't need the fluff. We barely have time to sit back and enjoy our own yards and pools and neighborhood gatherings. DON'T WANT MORE 'TOWN'. Don't even go to the HWY 16 part of Weddington.	5/17/2018 5:39 PM
36	Doing a fantastic job!	5/17/2018 5:22 PM

41	Implement some of the things noted in this survey. Whatever the reason do not change or alter the zoning requirements and keep commercialism out of Weddington.	5/17/2018 4:02 PM
42	Stop second guessing the commitment to maintaining a non-commercial town. There are plenty of services within a 5-10 minute drive--we don't need any of that in Weddington.	5/17/2018 3:46 PM
43	Have an arts center Control growth Improve and widen roads Add a park and some bike lanes	5/17/2018 3:36 PM

57	I think it is great you are asking for opinions from this survey. BUT I had no idea it was happening. Saw it on NextDoor. A letter or signs on roads should have been put out. Hope you get enough of a response.	5/17/2018 1:11 PM

62	Stop allowing all the developments. Until the infrastructure is in place, no new developments. Our roads are clogged. Fire trucks and police can't ge through.	5/17/2018 12:26 PM
63	Safer walkways for youth and other pedestrians and cyclists. EDUCATE youth more about the fast growing crime of human trafficking and child exploitation on the internet... it is everywhere. ALSO - phone issues - trying to reach the town office and speak to someone directly to assist or direct calls is difficult. Keep getting same message...	5/17/2018 12:03 PM

67	Keep Weddington the way it is, don't try and become a booming town with lots of housing and retail spaces. It increases revenue and destroys the quality of life for residents.	5/17/2018 10:21 AM

307	Stop allowing 1/3 acre lots. Use town funds to buy up as much green space as possible before it is full of houses on tiny lots and we have so much traffic that new roads and schools are needed, changing the look and feel of the town further and causing more redistricting. Conservation subdivisions are being pushed by developers who know they cannot build on half the land anyway. Because of this you can see many lots in the older neighborhoods with much larger than 1 acre. 371	Doing well	4/23/2018 5:04 PM
372	<p>1. Try to control the development and tamp down the RCD vs the R40 etc. At the beginnia of the questionair, the picture of R40 and RCD is misleading. The density of the living right on top of one's neighbor vastly overshadow's the spoken wonder of "open space". 8 12,000 sq ft lots cluster in a circle in the middle of a former field that is ringed by a few planed trees and shrubs on a berm do not fit rural compared to a home on 40,000 sq with space, trees, etc., between the houses. Developers clearcut, put down roads in a circle, and leave. The myth is futher excecabated by clothing the fact that the new buyer actually does pay for 1 acre of land, but get to use 12,000 ft sq.</p> <p>2. Limit the number and growth of churches. 11 in a 17 square mile town is probably enough. Additionally, allowing them to grow at will futher encroaches on the town. For example, the building church on Antioch Church as pretty well destroyed the land with a much narrower tree/shrub buffer. That is the church that is less than a mile from the other church. The church on Hemby, also within a half mile of another church, is planning on significantly increasing its footprint, and adding much additional lightening.</p> <p>3. Force the useless politicians in the State legislature to pass a bill allowing towns and the county to assess impact fees from developers. They destroy the character of the town, and then leave the roads, safety and schools to the residents. Use social medial, join forces and actually make it happen.</p> <p>4. Enforce the codes, and do some real planning for the next 10 years. I believe that we spend too much time looking back instead of concentrating on the future and being prepared for it. It might mean a bit more ordinances, mor code enforcement, and maybe an increase in taxes. Everything is more expensive today, but that wil be nothing compared to the expense of not being prepared for the furture and drifting along.</p>	4/23/2018 5:00 PM

Create a plan with NCDOT to gradually add shoulder room (even better, bike lanes) on our roads. 3. Partner with UCPS and Optimist Park to enhance curb appeal of these community assets. For as good a reputation as the Weddington Schools have in general, the signage/curb appeal, entrance landscaping are dated/tired/drab. I know these are not the responsibility of the Town of Weddington, but the Town is hopefully in the position to positively influence these organizations for the benefit of the overall community. To illustrate my point, just compare typical residential landscaping to what we see at the school entrances. They are worn and do not inspire pride in the community.	4/9/2018 10:51 AM

55	Specifically, the intersection at New Town & Providence is a major problem for commuters. The light here does not account for rush-hour traffic in either North or South bound directions. This has also created an increase of drivers using 'back roads' and speeding on these previously quiet roadways. This is a CURRENT and FIXABLE issue with some work on light-adjustment during high-traffic hours (it's difficult enough with south-bound bottle neck at Rea Road, so anything that can be done to streamline north/south bound movement would greatly enhance commuters WANTING TO BUY/MOVE here (as well as current resident satisfaction)!	5/17/2018 12:49 PM

I've seen a hunter behind our property with very close proximity to the school and possible youth cutting through. Hate to see an accident happen before we change the laws about hunting in areas where youth may cut through for school. Just common sense to have hunters hunt outside the city. Thanks.	5/17/2018 12:03 PM

61	You asked me my opinions so I have been brutally honest in my opinions and hope that it has not offended anyone but pray that you will take them seriously and try to honor them as best as you can. Although neither on of us will be here in another 20 to 30 years we feel we have been good, civil minded citizens and have children and grandchildren who would love to live here for many years to come but have already considered moving to more rural areas. However, we have come to feel that as long as there is inexpensive rural areas that developers will continue to crowd out the very citizens who have forged the way and fed the nation with their blood, sweat and tears and it really does not seem fair that the developers get richer and continue to build bigger and more expensive houses that they don't even live and raise their children in while we get lesser property values and higher property taxes and our children must be pulled from their local school and moved to schools in Monroe. It just doesn't seem right to me. So there you have it.	5/17/2018 10:30 AM

263	Our subdivision is not happy with Union Power taking away some of our HOA-controlled conservation area for a power line along Hemby Road. They could have taken equivalent area from across the street but apparently did not want to tangle with a housing developers' lawyers and purchase platted home sites for the right of way. HOAs cannot afford legal battles so the environment lost on this action. Our mandated conservation area has been reduced a lot by this action. Power companies should not have this level of control over the environment. Our community does not even use Union Power electricity, being part of the Duke Energy grid.	5/6/2018 10:54 AM

Even if Weddington doesn't have full jurisdiction (it might be NCDOT or Union County) the town needs to get this done. Please contact me at 704-343-1866 and I will provide further details. "Someone is going to get killed if you don't put in a traffic light at the 3-way intersection of Antioch Church Rd & Forest Lawn Rd & Antioch Church Rd. 582	Providence Road is a nightmare!!!!!!!!!! But you must already know that. Help !!!! Widening will not help us get out of our own neighborhoods along this horrific roadway, it would actually make it worse. I remember the days that we barely passed a few cars travelling to Waxhaw at 55 mph or to Mathews/Pineville Rd. No Arboretum then.	4/6/2018 10:59 PM
