

WEDDINGTON JOURNAL

Weddington's Food Truck Fridays a Success!

Food Truck Fridays 2019 was a wonderful success thanks to the participation from our fantastic community.

We met in the Town Hall parking lot from 5:30-9pm the first four Fridays in May. The food trucks offered a variety of different foods ranging from Italian, Tex-Mex, Caribbean, barbeque, Irish, American, seafood, ice cream, specialty cakes, Italian ice, beverage trucks, and more! There were plenty of activities

for children including bounce houses, lawn games, face painting, and balloon art. Local businesses set up booths with information and free swag while DJ Fannie Mae entertained the masses with her music.

The Town of Weddington would like to thank all of the food trucks and vendors who participated in Food Truck Fridays, we look forward to working with you again in the future!

May 13th Weddington Town Council Meeting Recap

The Council reported that the Food Truck Friday events have been extremely successful. They are delighted with the great turn out and participation from the residents.

A public hearing was called for June 10, 2019 at 7:00 p.m. at Weddington Town Hall for the proposed budget for Fiscal Year 2019-2020 and to set the tax rate. Taxes are proposed to remain at .52 cents per 100 assessed dollars.

The Council approved a budget amendment that allows the town to start on planning and engineering services by Cardno for the new town park. The rezoning and construction plan process will continue through the summer and fall. Bidding can begin this winter for an early spring groundbreaking!

A Proclamation was approved recognizing May 15, 2019 as Peace Officers Memorial Day and May 12 through May 18 as National Police Week. The town and our citizens recognize and appreciate the contributions made by law enforcement officers at all levels of government.

Amendments to the lighting ordinance were approved. The new text addresses the color of LED lights and evaluates performance related to light trespass, sky glow, and high angle brightness control. Amendments to the Erosion Control Ordinance were approved. The town is waiting to hear from the state for delegation. Weddington hopes for better oversight and control over violations for subdivisions under construction.

Land Use Plan revisions continue. The plan should be ready for a final recommendation and public hearing in August. The next Town Council meeting will be June 10, 2019 at 7:00 PM.

Weddington High School Earns Triple Crown!

Congratulations to the Weddington High School men's track and field, indoor track, cross country, and lacrosse teams on becoming the 2018-2019 state champions!

Weddington is the fifth school in NCHSAA history to accomplish the Triple Crown: three state championships in one school year for cross country, indoor track and field, and outdoor track and field.

The men's outdoor track and field team and the lacrosse team have earned the state championship title for the past three years.

Keep up the hard work and dedication!
